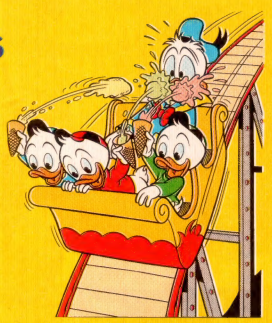
The Big Hunter 32



As we told you in the last issue, the excellent Aladdin has just come out on video, but if you haven't managed to get your mitts on a copy, here's your chance to win one. We've also got some great school packs of Aladdin stationery as runner-up prizes.

So, cast your mind back to when you saw Aladdin at the flicks, and answer the question below.

*In the film, Aladdin's **first wish** is to be a prince, then his **second wish** is used to save him from drowning at the hands of Jafar's guards. He decides to help the Genie with his **third wish**.*

What is that wish?

Send your answer, together with your name and address, on the back of a postcard or stuck-down envelope to:

Aladdin videos, Mickey's Mail, PO Box 61, London WC1H 9SG.

The closing date for entries is **1st October 1994.**

The Editor's decision is final and no correspondence shall be entered into.

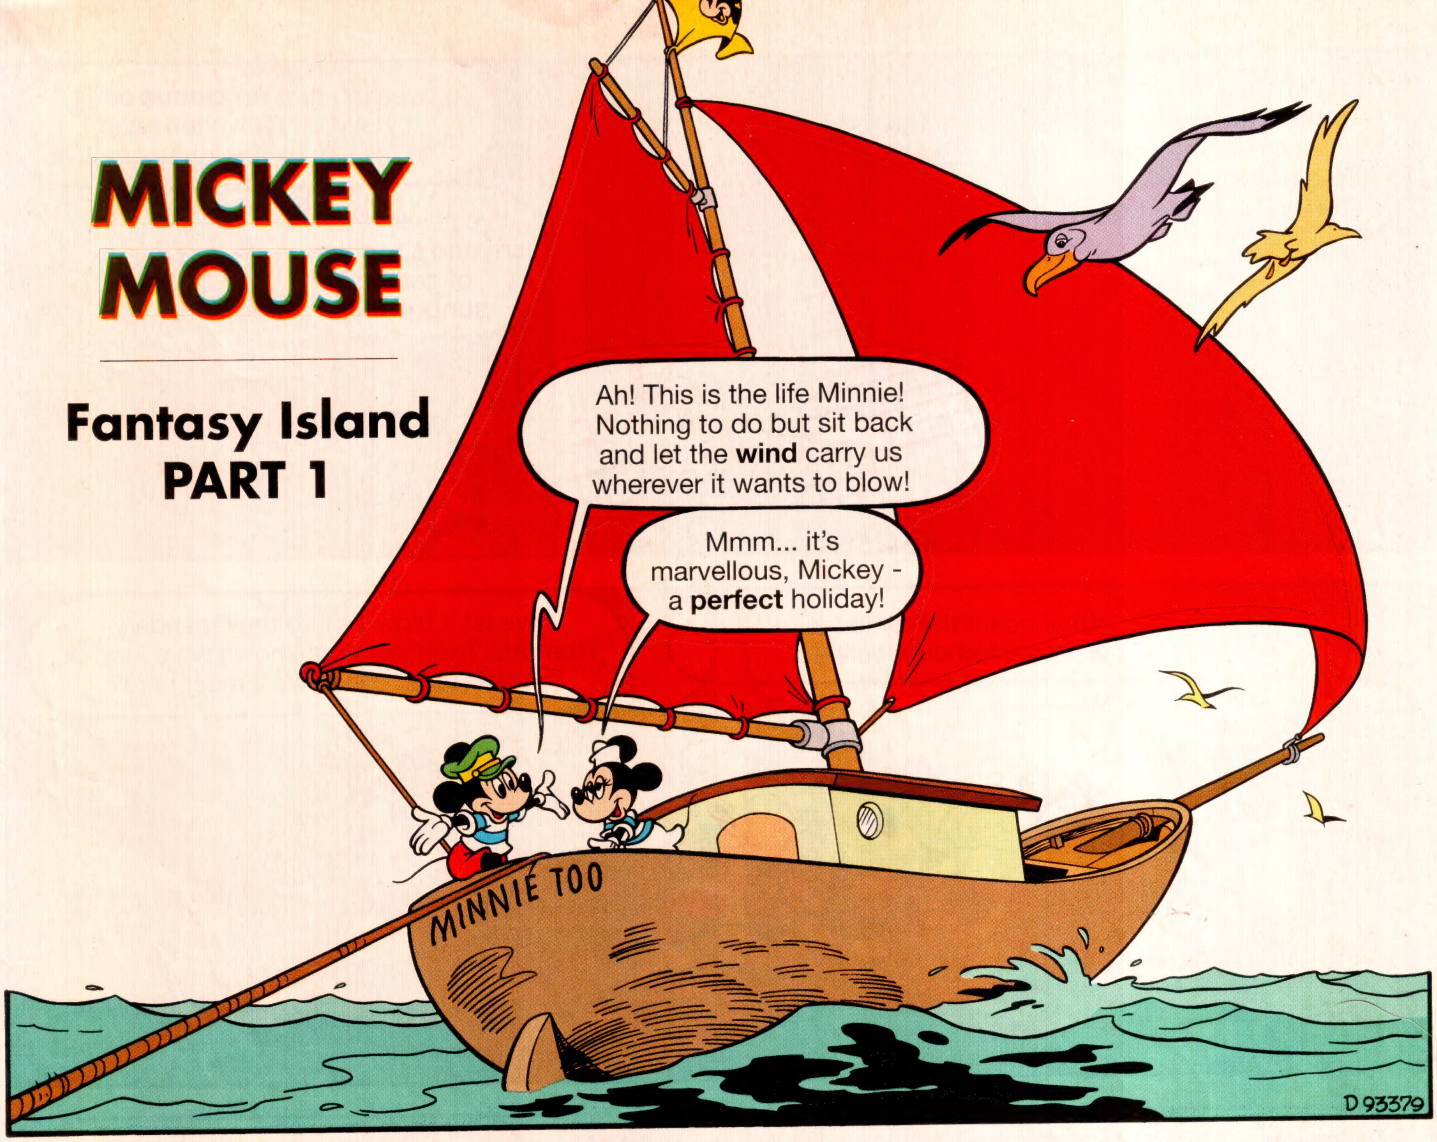
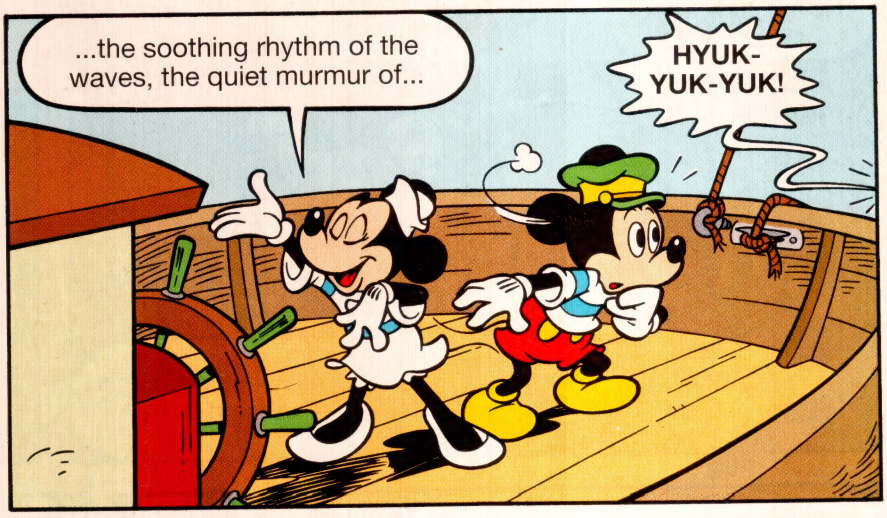
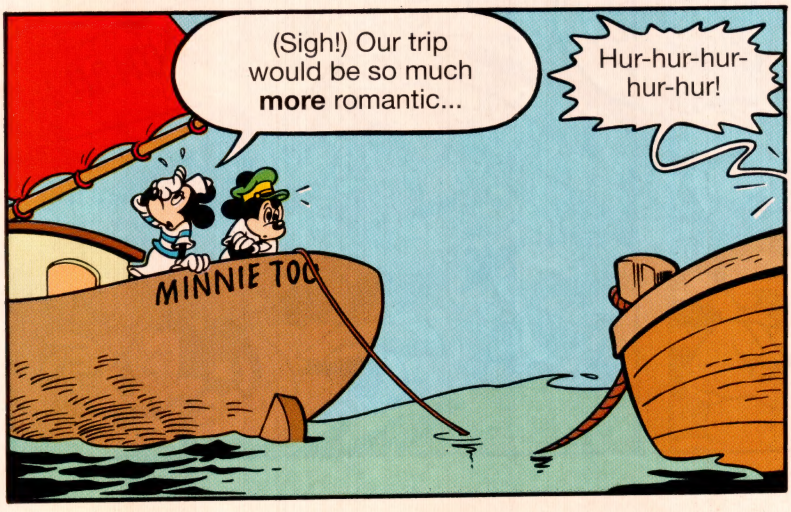
MICKEY MOUSE

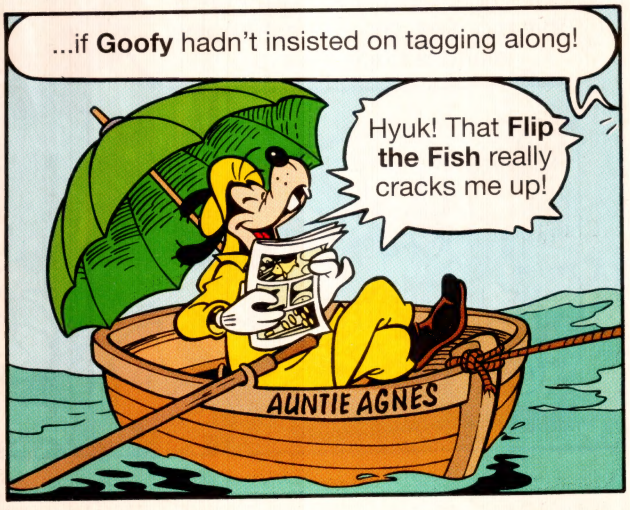
Fantasy Island
PART 1

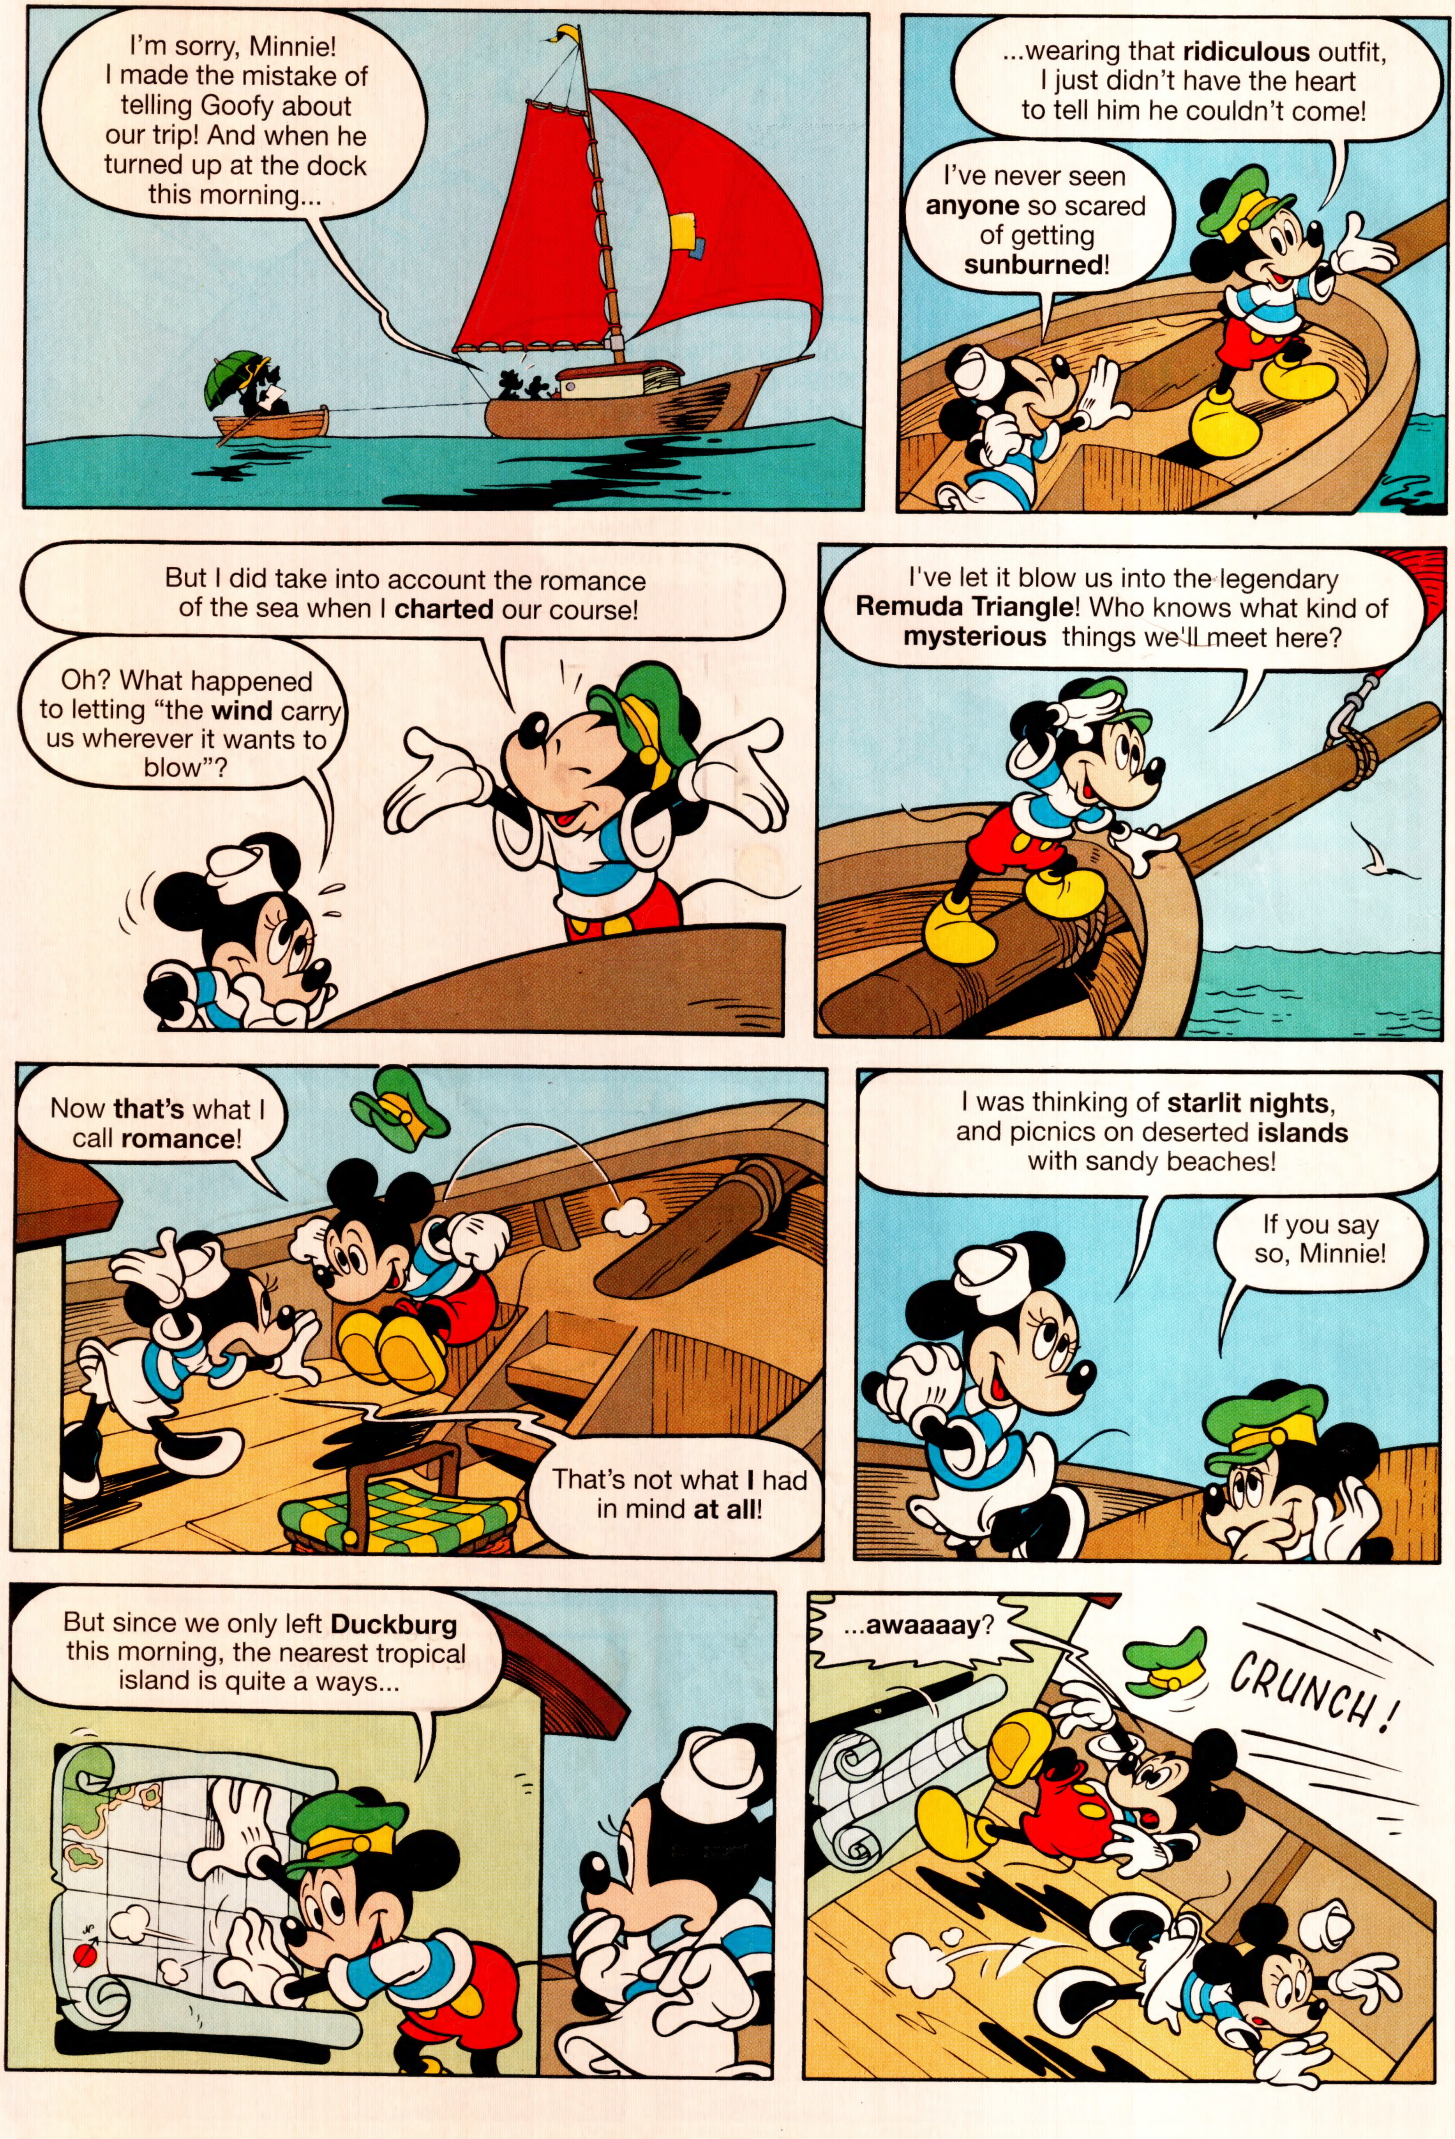


Ah! This is the life Minnie! Nothing to do but sit back and let the **wind** carry us wherever it wants to blow!
Mmm... it's marvellous, Mickey - a **perfect** holiday!
MINNIE TOO
D 93379





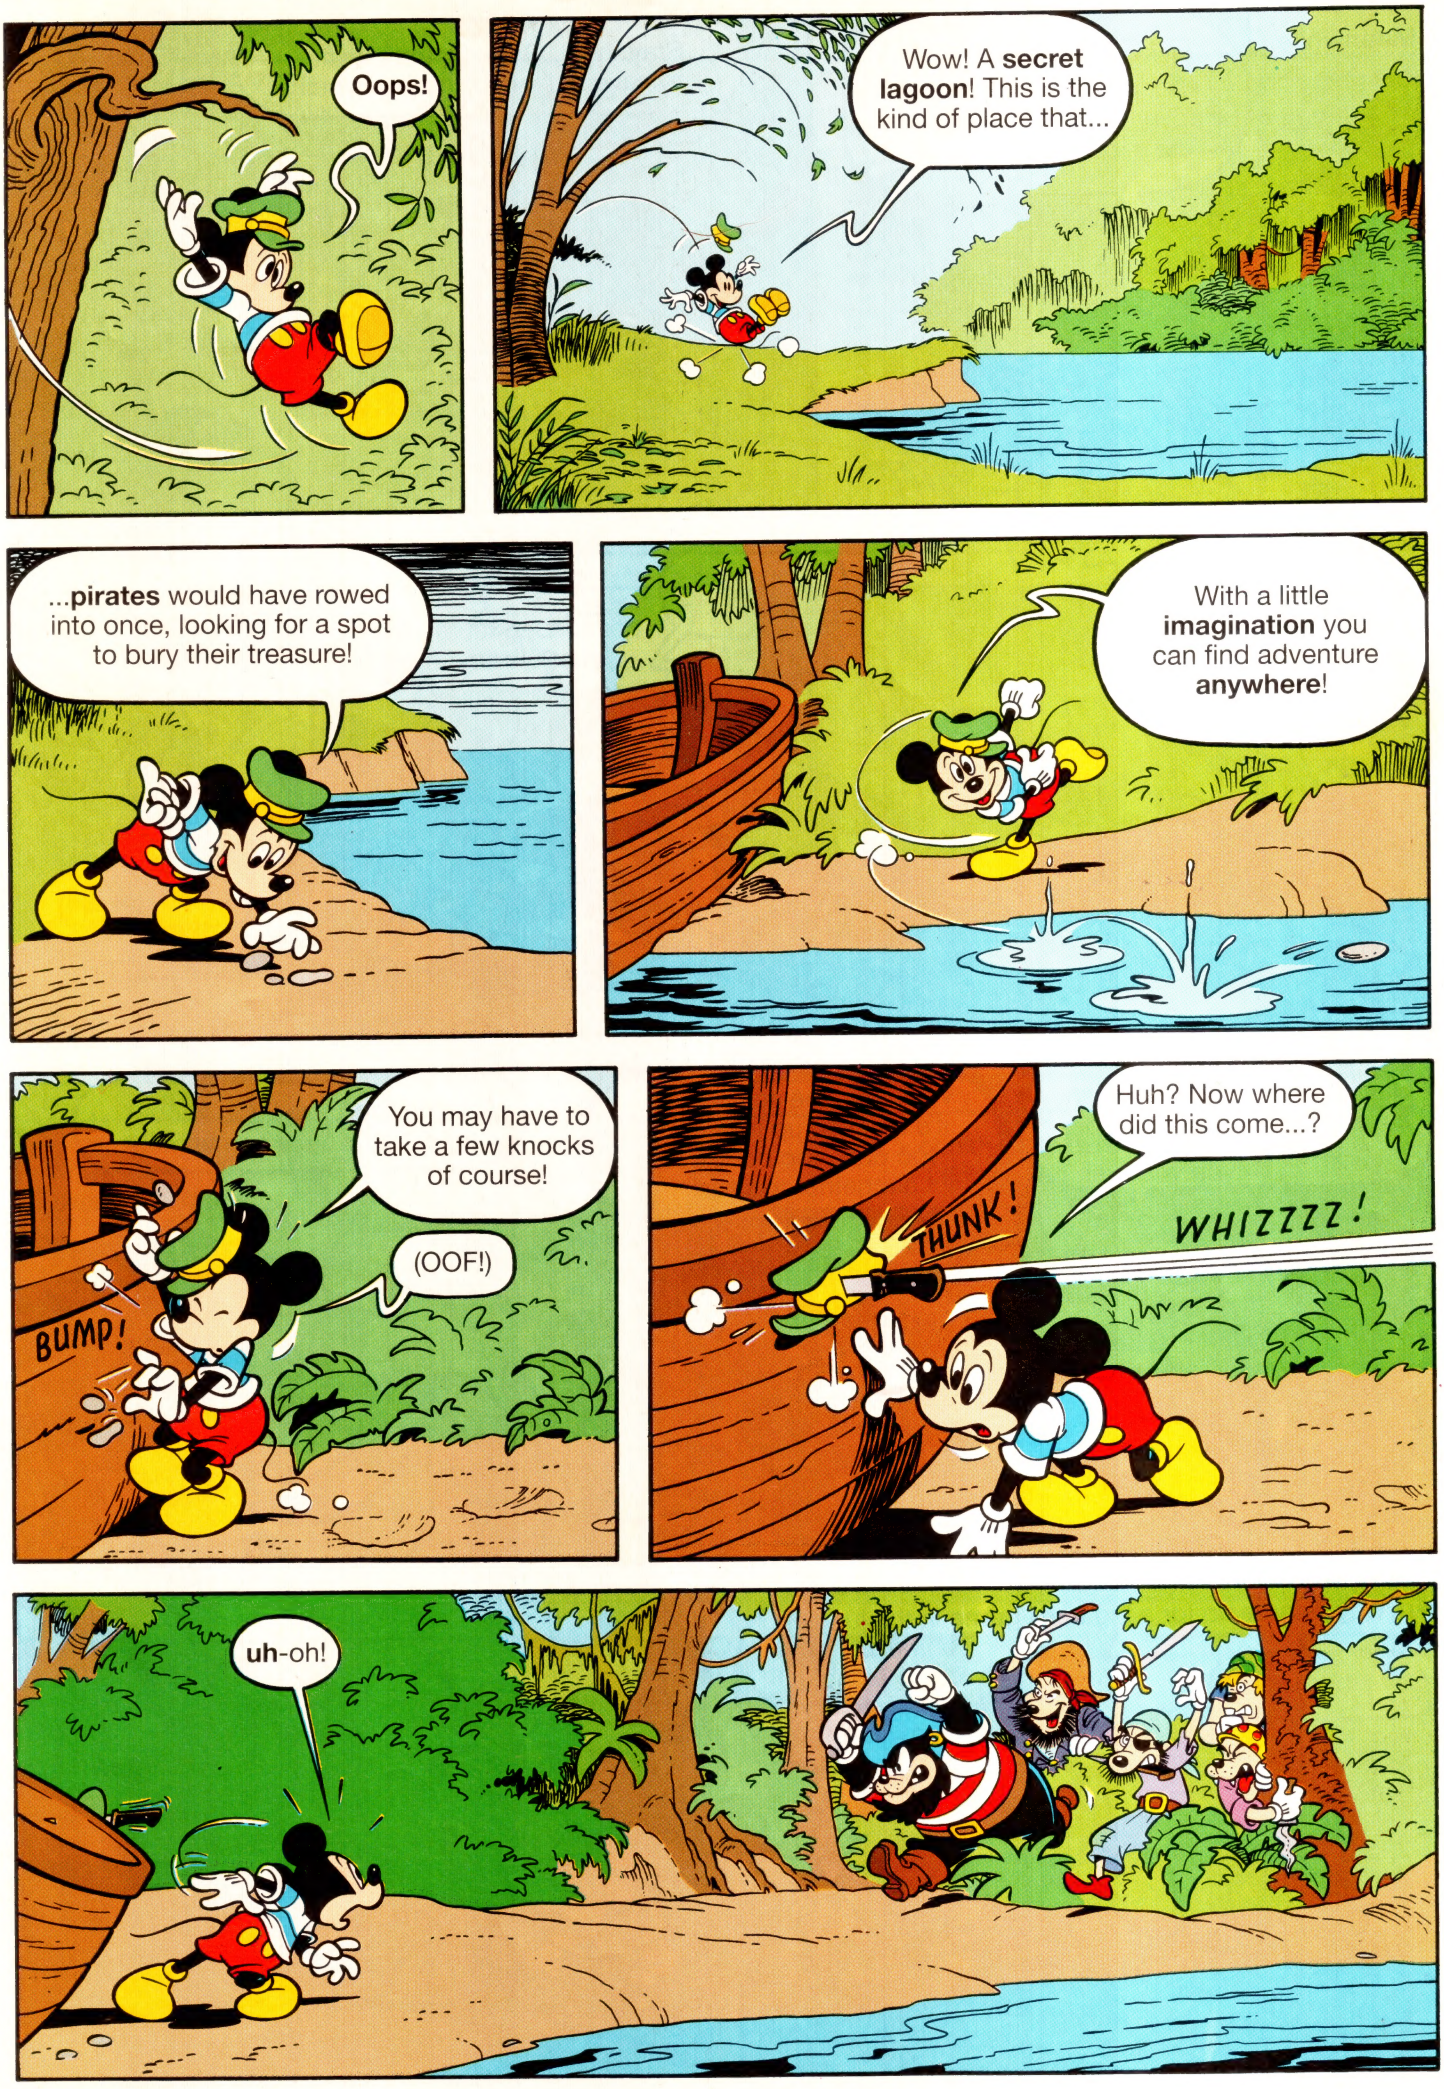




I'm sorry, Minnie! I made the mistake of telling Goofy about our trip! And when he turned up at the dock this morning...
...wearing that **ridiculous** outfit, I just didn't have the heart to tell him he couldn't come!
I've never seen **anyone** so scared of getting **sunburned**!
But I did take into account the romance of the sea when I **charted** our course!
Oh? What happened to letting "the **wind** carry us wherever it wants to blow"?
I've let it blow us into the legendary **Remuda Triangle**! Who knows what kind of **mysterious** things we'll meet here?
Now **that's** what I call **romance**!
That's not what **I** had in mind **at all**!
I was thinking of **starlit nights**, and picnics on deserted **islands** with sandy beaches!
If you say so, Minnie!
But since we only left **Duckburg** this morning, the nearest tropical island is quite a ways...
...**awaaaay**?
CRUNCH!

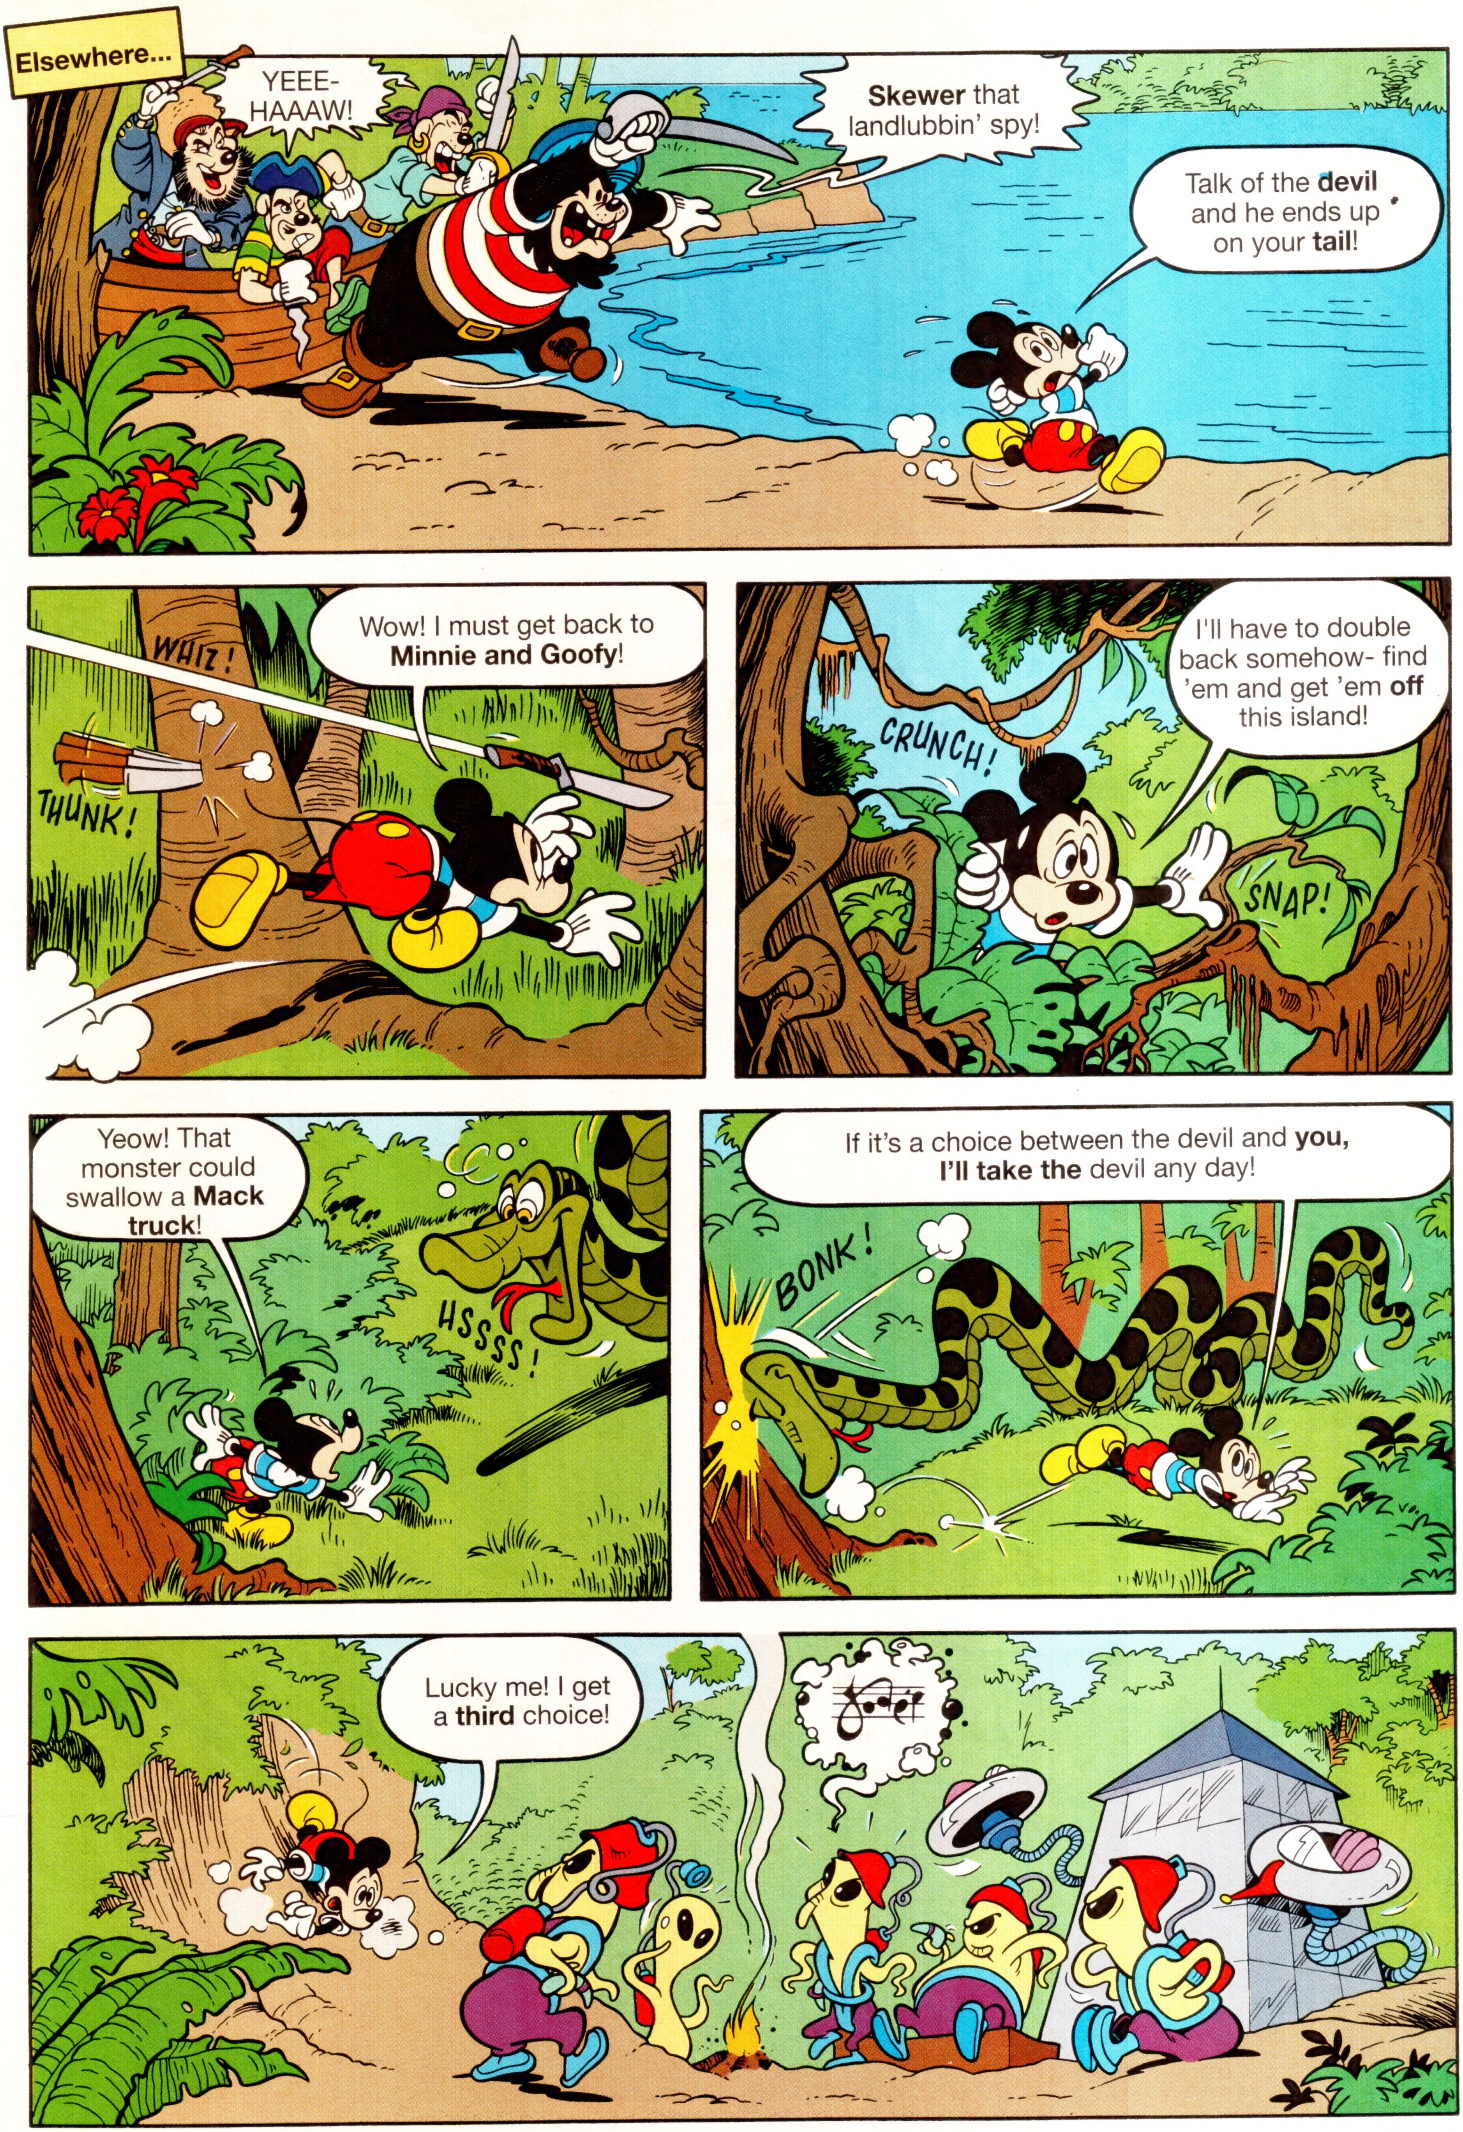
This is more like it!
But... but... it's **impossible**!
There's no island like this anywhere on the chart!
Well, let's not look a gift horse in the mouth!
I'm going ashore for a **picnic**! Are you coming, too?
I've got some sun lotion here, Goofy! You can borrow it if you want to take off that hot rubber suit!
Nope! I know all about them **holes** in the ozone layer...
I'm right behind you, sailor!
Last one ashore's a dummy!
...and even though I ain't seen one, I ain't taking **any** chances!

C'mon, Minnie — I'm **dying** to explore the island!
You go ahead! I'm happy to stay here!
Z
Don't go too far! Lunch is almost ready!
Good old Minnie! She's not as adventurous as me, though!
After all, there could be **all kinds** of things on an uncharted island in the middle of the Remuda Triangle!
Things like... like **giant reptiles** and...
!
...and... who knows, this island **could** be the secret base of **space aliens**!
They could be hiding here, just waiting for the right time to **invade** Earth!
Anything's possible in the Remuda Triangle!
ZZZ
TTZ

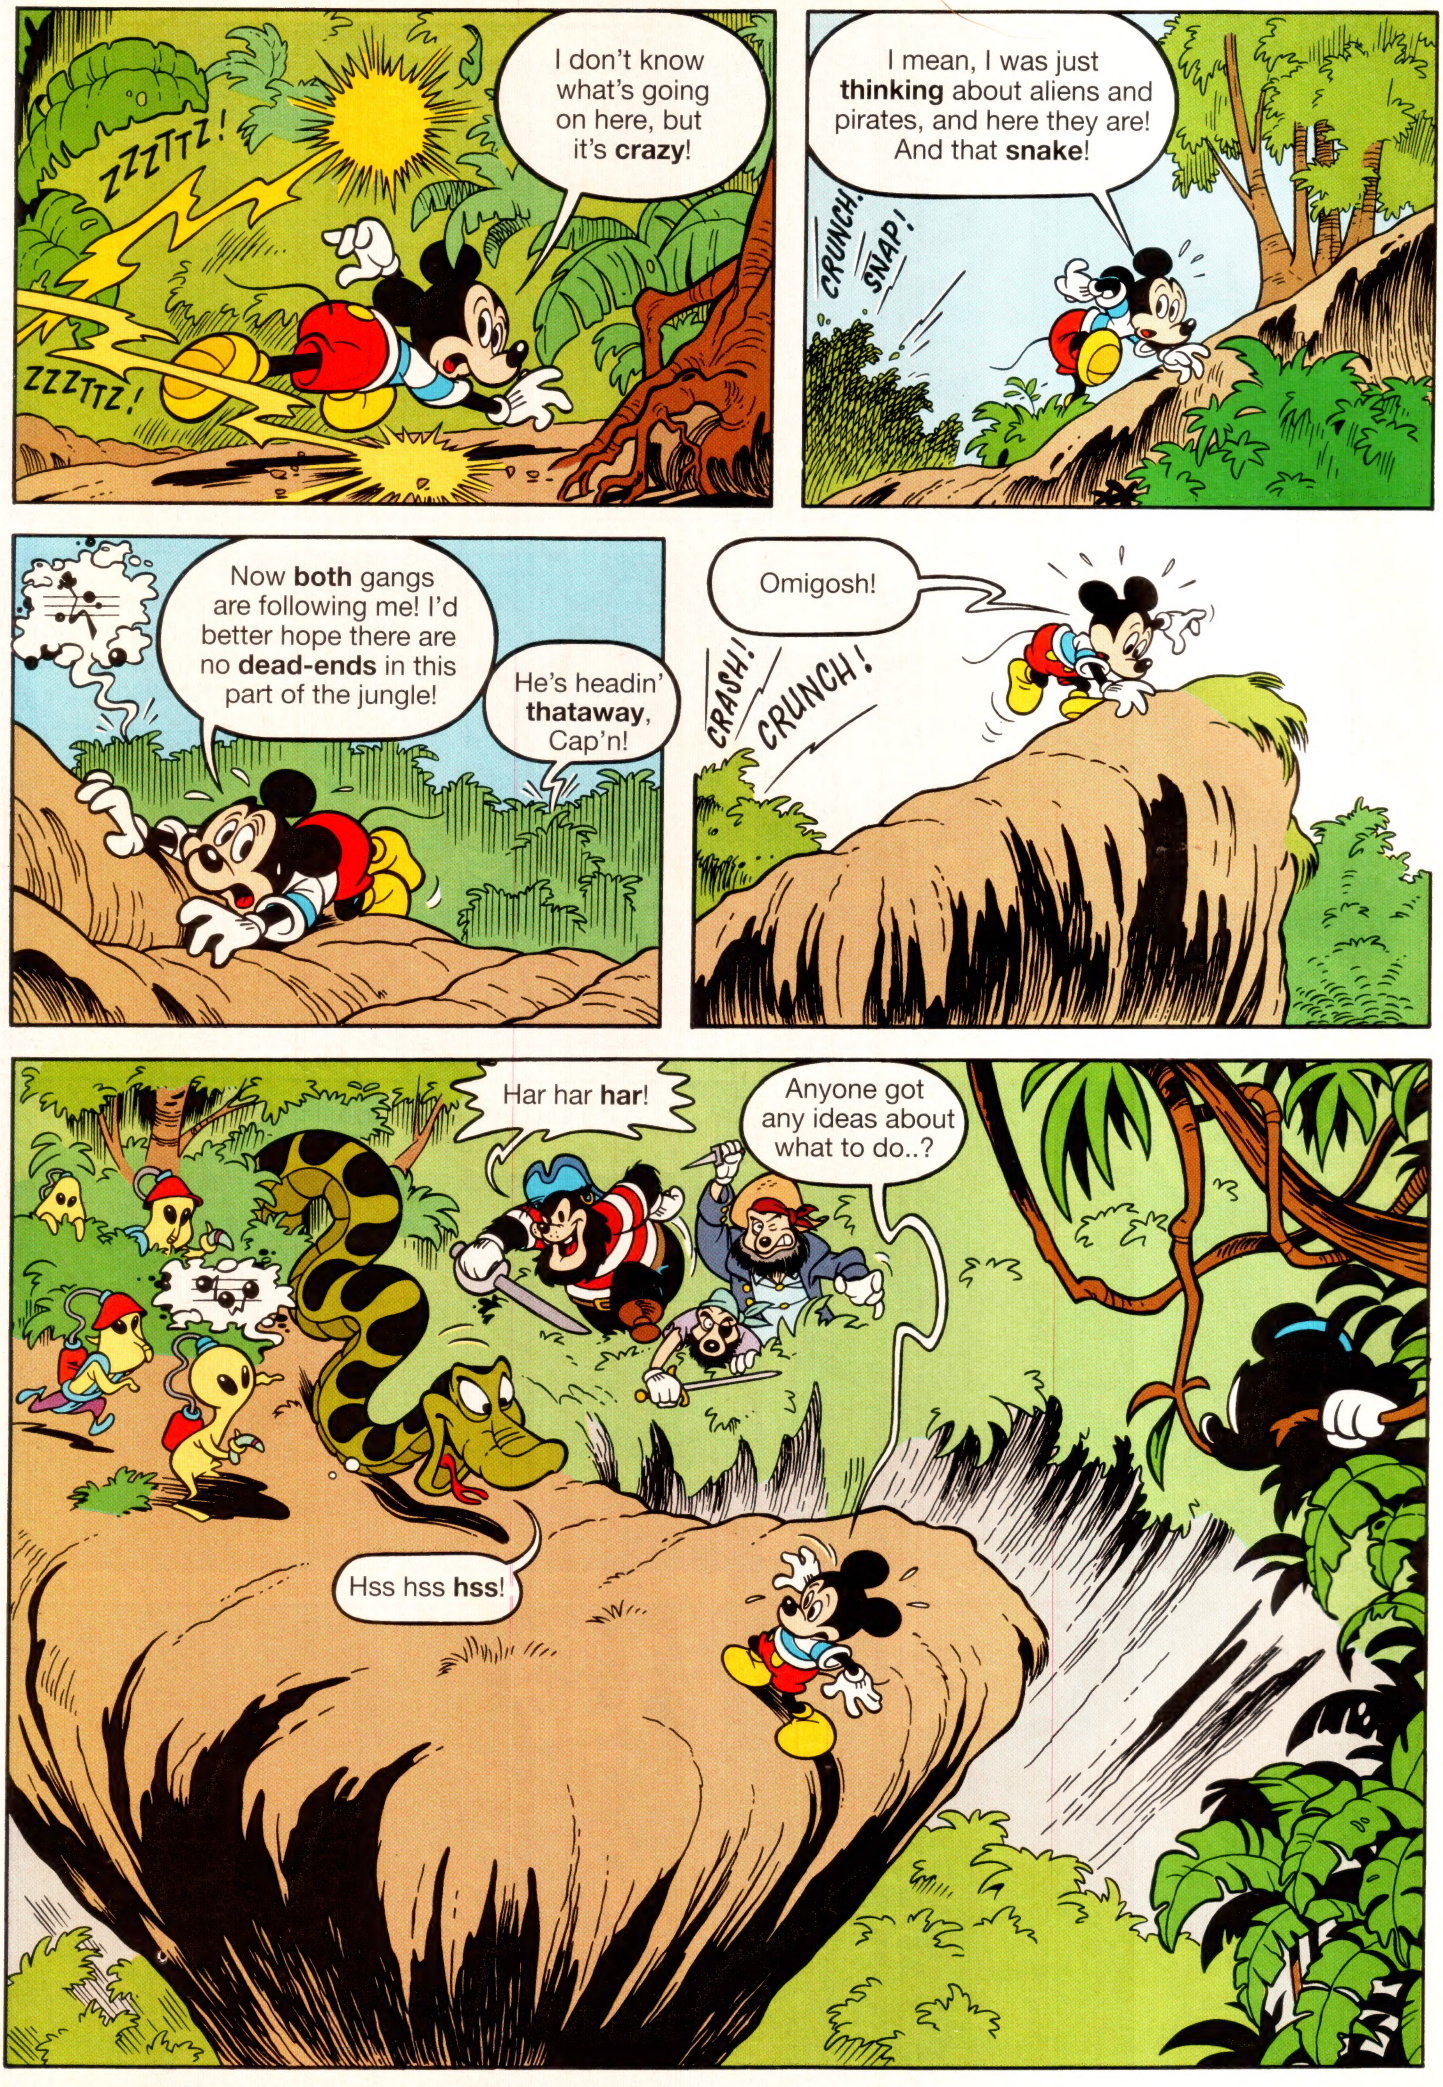


Oops!
Wow! A **secret lagoon**! This is the kind of place that...
...**pirates** would have rowed into once, looking for a spot to bury their treasure!
With a little **imagination** you can find adventure **anywhere**!
You may have to take a few knocks of course!
(OOF!)
BUMP!
Huh? Now where did this come...?
THUNK!
WHIZZZZ!
uh-oh!

Meanwhile...
I'll have to find Mickey! He's probably so caught up in his **daydreams** that he's lost track of time!
Stay there, Goofy! I don't want to have to look for **both** of you!
Z!
But minutes later...
Z!
Say! Pardon me, bud...
TAP! TAP!
FLIP THE FISH
...you got a **light**?
!
Gawrsh! You're **Flip the Fish**, ain'tcha?! What are you doin' out of the **water**?
Well, son, the sea isn't all it's cracked up to be! It's too dark, too cold, and altogether too **wet**!
And the **food** - **oy**! **You** should try eating worms sometime!
CHOMP! SLURP!
GULP!
Anyway, I came up for a big **card game** in the jungle! If you want to come along, I'll **let** you carry my bag!
Gawrsh, **thanks**!



Elsewhere...
YEEE-HAAAW!
Skewer that landlubbin' spy!
Talk of the devil and he ends up on your tail!
WHIZ!
THUNK!
Wow! I must get back to Minnie and Goofy!
CRUNCH!
SNAP!
I'll have to double back somehow- find 'em and get 'em off this island!
Yeow! That monster could swallow a Mack truck!
HSSSS!
If it's a choice between the devil and you, I'll take the devil any day!
BONK!
Lucky me! I get a third choice!



I don't know what's going on here, but it's **crazy**!
ZZZTTZ!
ZZZTTZ!
I mean, I was just **thinking** about aliens and pirates, and here they are! And that **snake**!
CRUNCH!
SNAP!
Now **both** gangs are following me! I'd better hope there are no **dead-ends** in this part of the jungle!
He's headin' **thataway**, Cap'n!
Omigosh!
CRASH!
CRUNCH!
Har har **har**!
Anyone got any ideas about what to do..?
Hss hss **hss**!

What will happen next in Mickey's nightmare on Fantasy Island ? More next week!

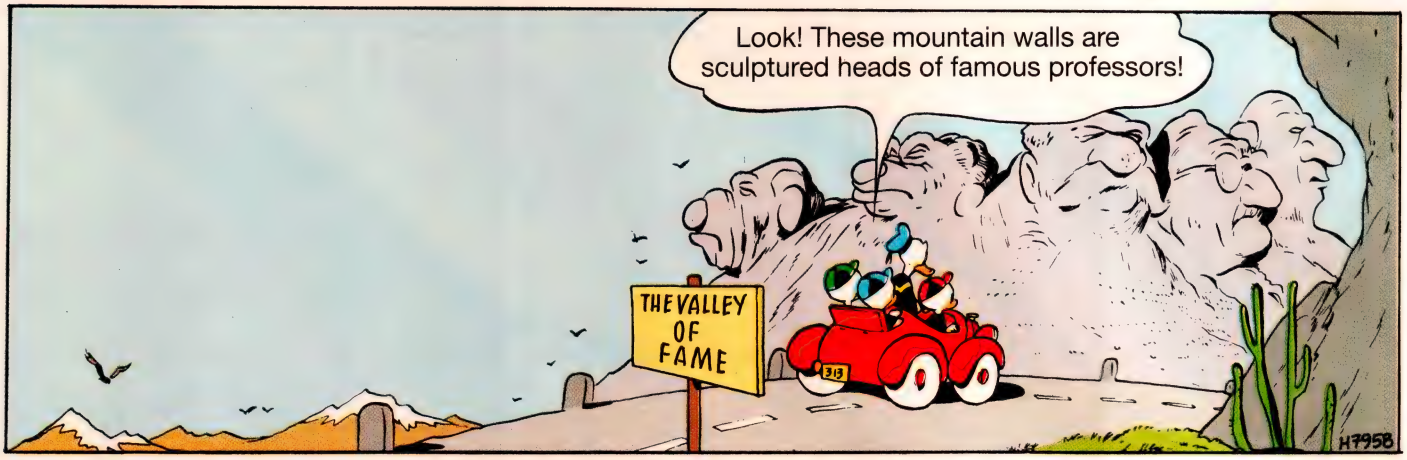
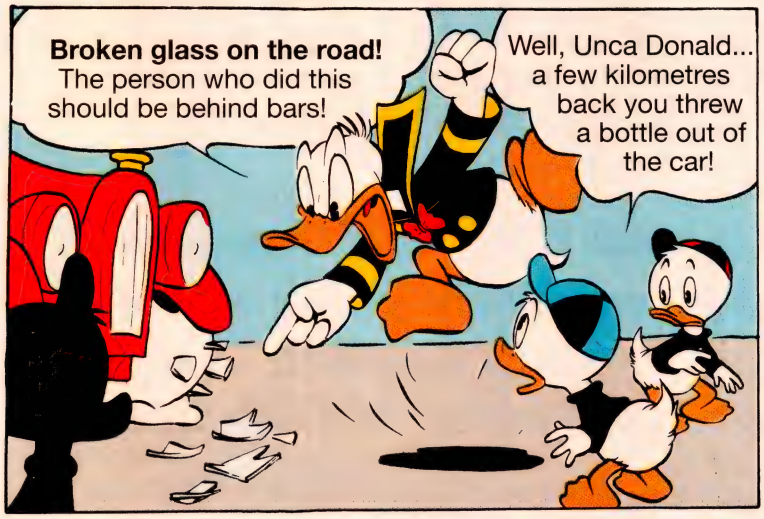
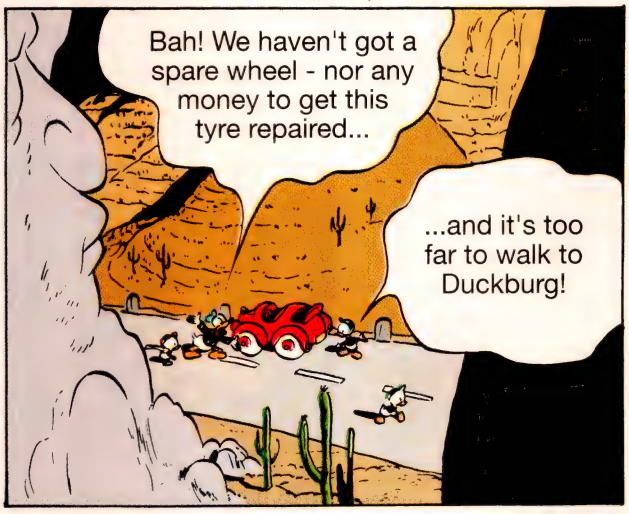
DONALD DUCK

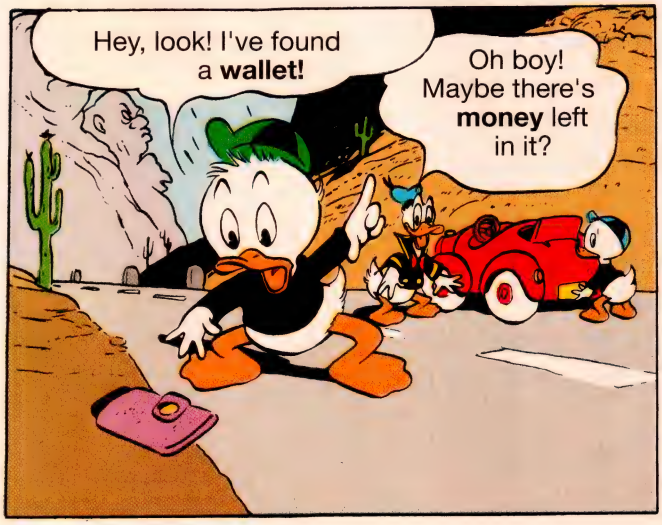
Bad Salesmanship

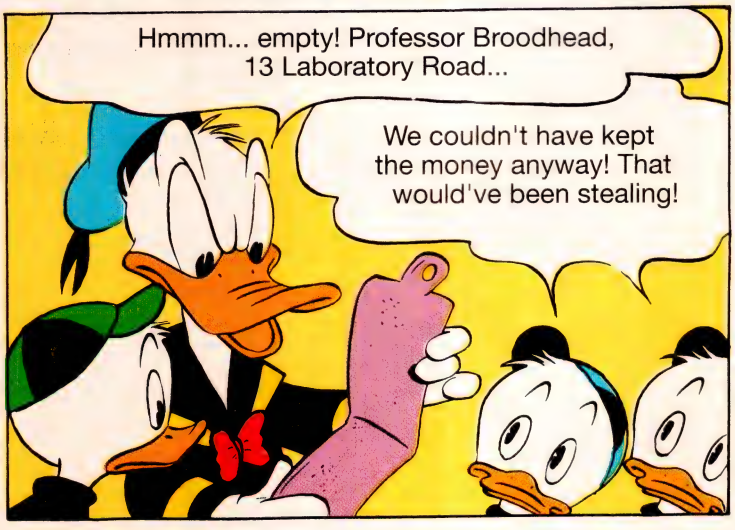


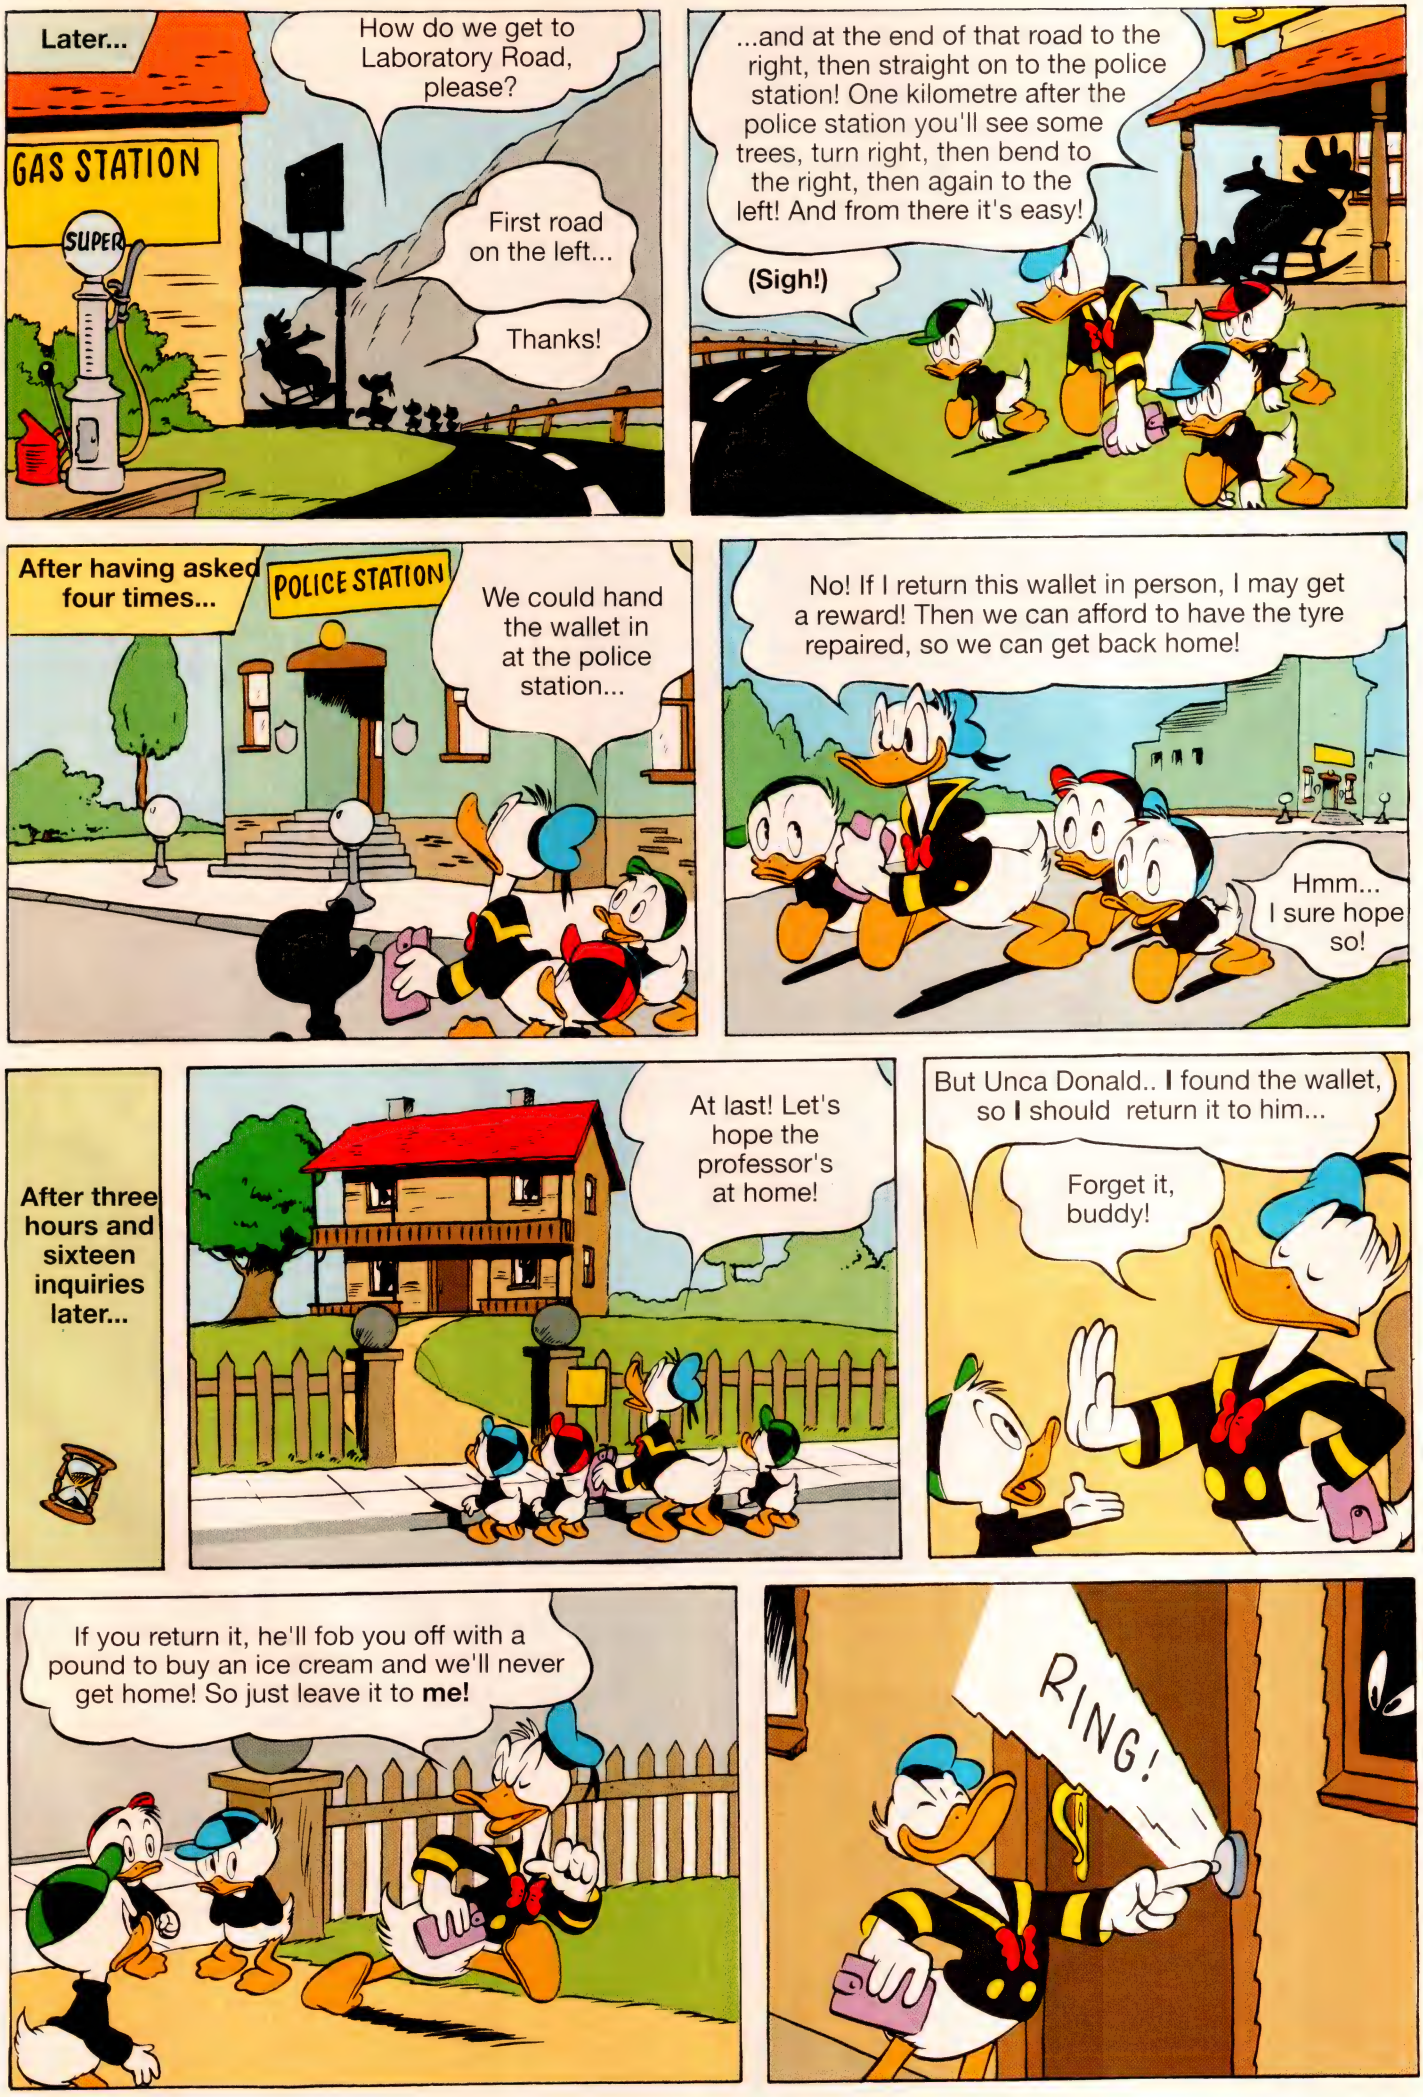


Broken glass on the road! The person who did this should be behind bars!
Well, Unca Donald... a few kilometres back you threw a bottle out of the car!



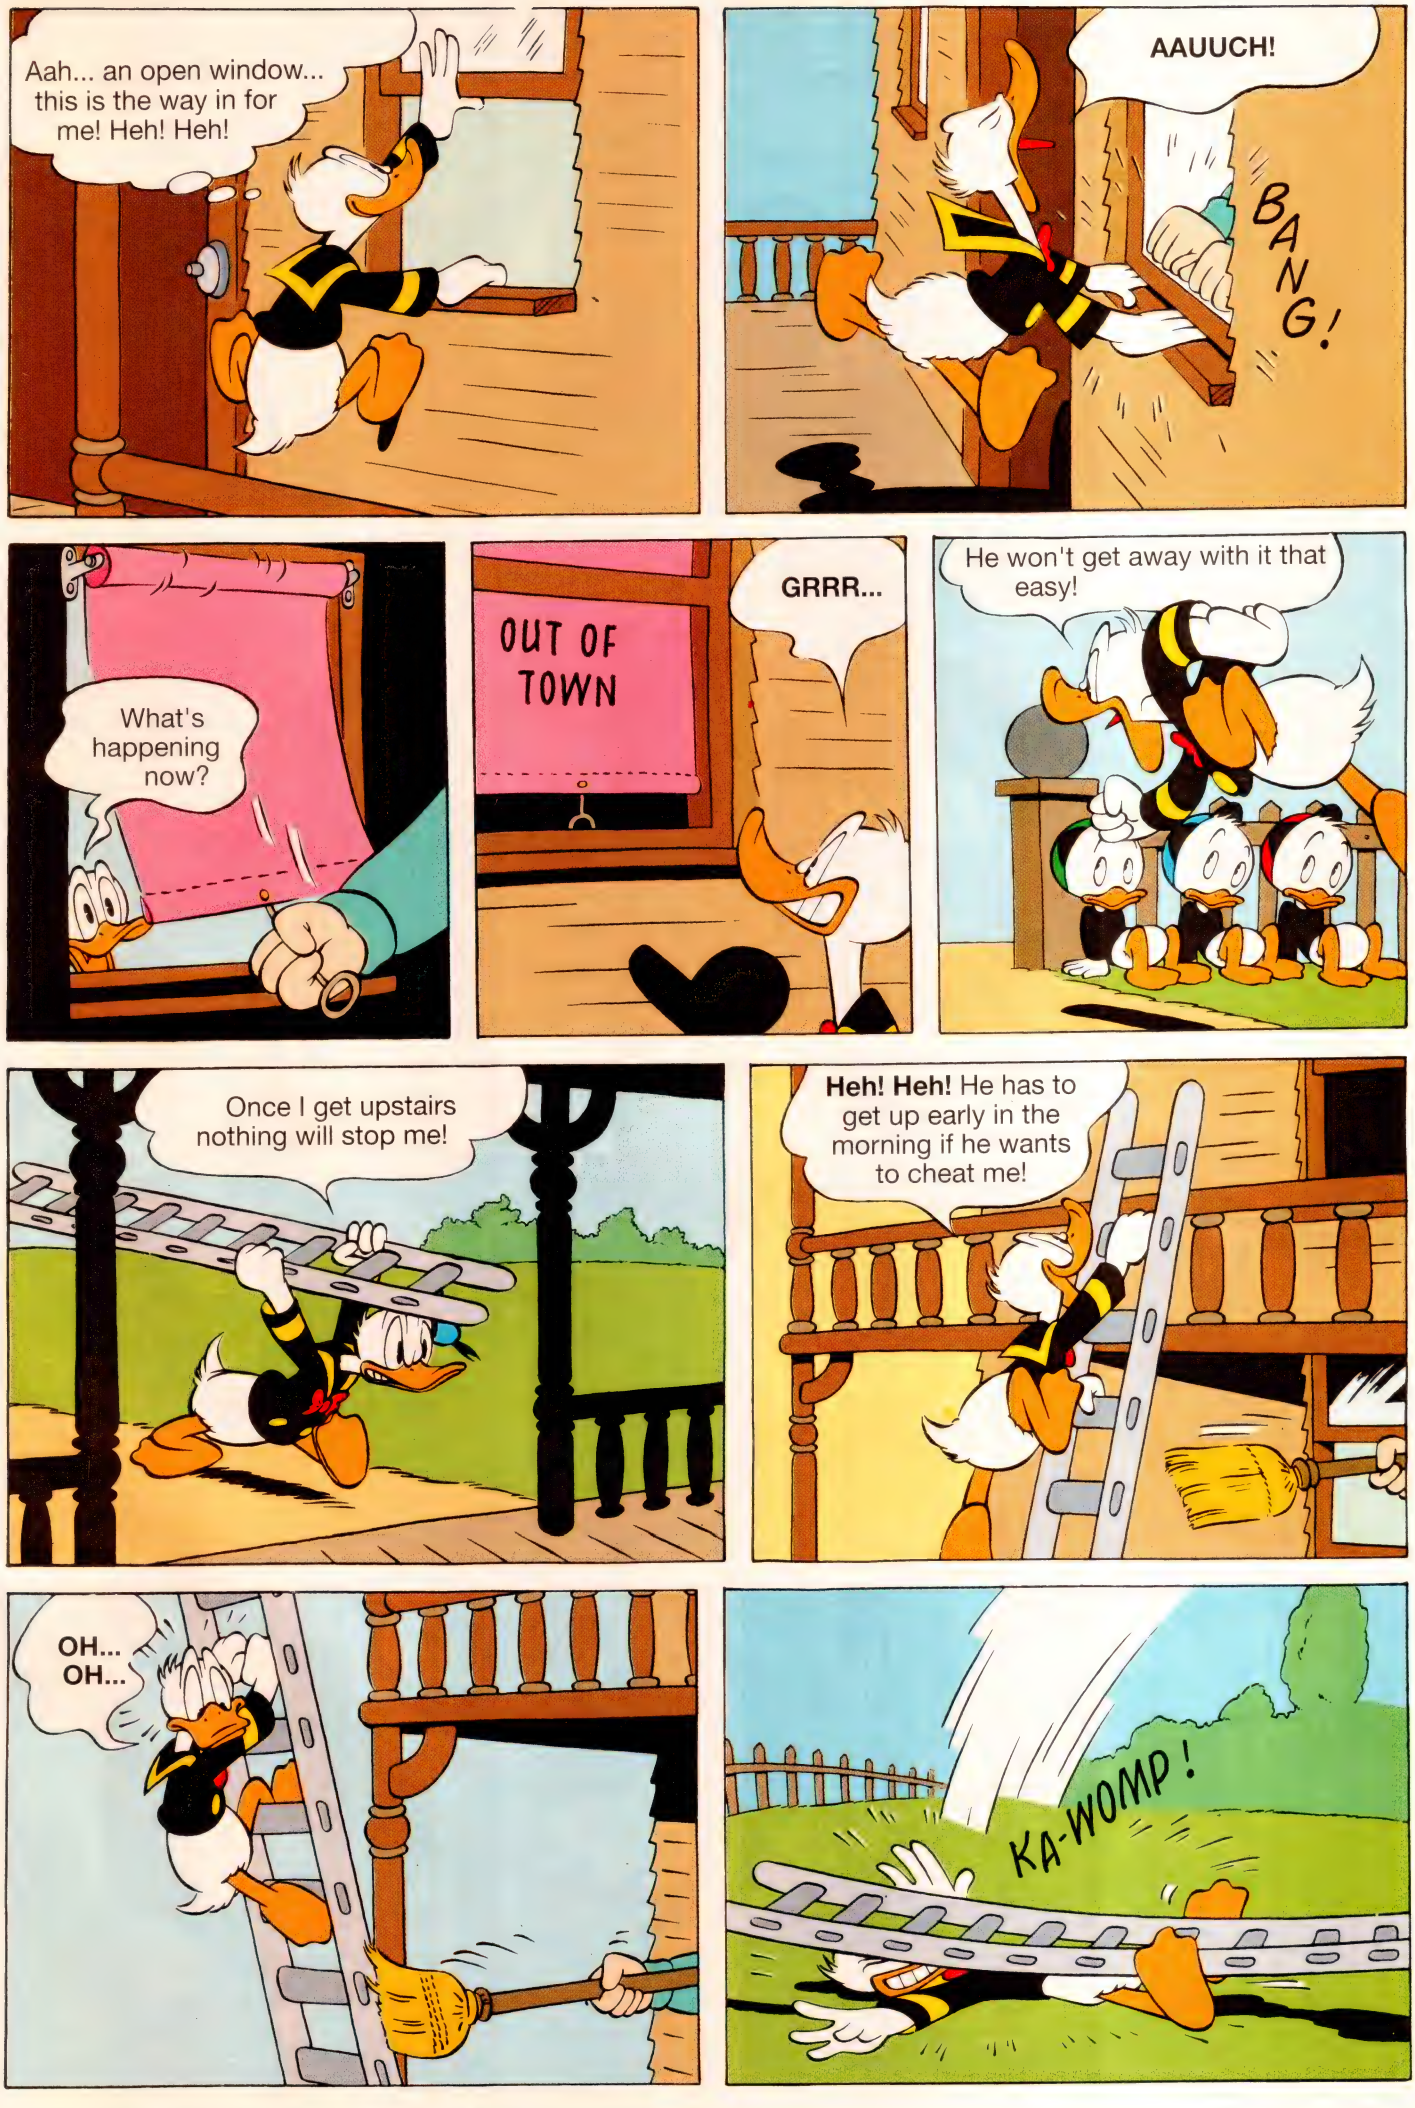




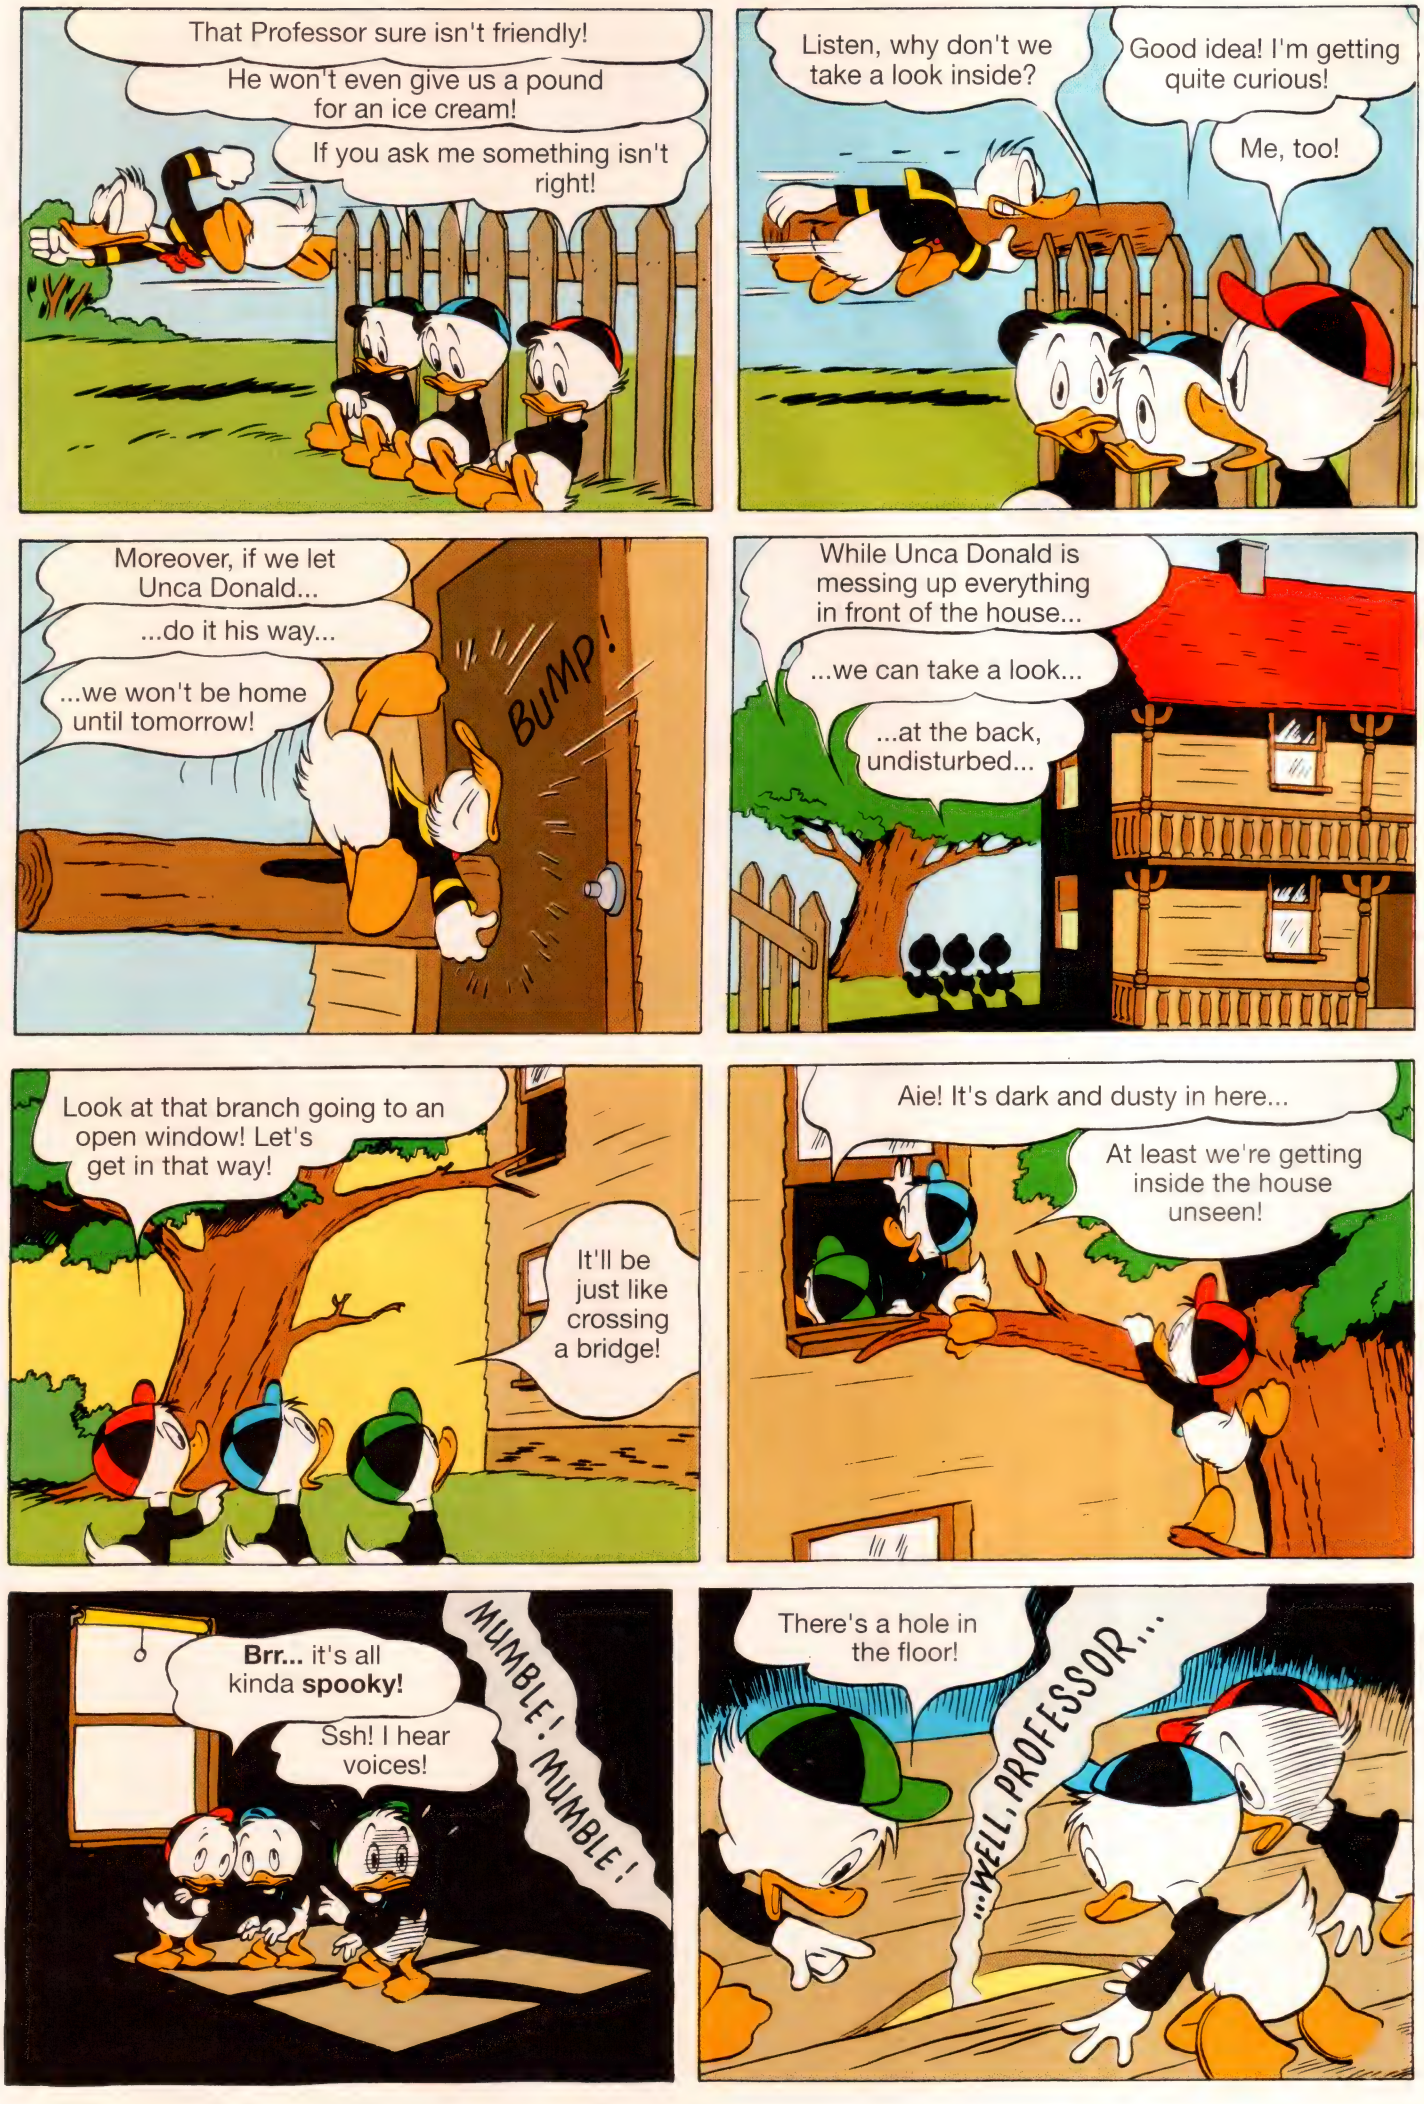


Later...
How do we get to Laboratory Road, please?
GAS STATION
SUPER
First road on the left...
Thanks!
...and at the end of that road to the right, then straight on to the police station! One kilometre after the police station you'll see some trees, turn right, then bend to the right, then again to the left! And from there it's easy!
(Sigh!)
After having asked four times...
POLICE STATION
We could hand the wallet in at the police station...
No! If I return this wallet in person, I may get a reward! Then we can afford to have the tyre repaired, so we can get back home!
Hmm... I sure hope so!
After three hours and sixteen inquiries later...
At last! Let's hope the professor's at home!
But Unca Donald.. I found the wallet, so I should return it to him...
Forget it, buddy!
If you return it, he'll fob you off with a pound to buy an ice cream and we'll never get home! So just leave it to me!
RING!

Hello, Professor! I've got your wallet!
Thanks, kid!
SNAP!
Hey, what...
BANG!
What a cheek! What manners! But I won't let you fob me off that easy, Professor!
Open the door! I've got a right to a reward! Understand?
BONK!
DUNK!
BAM!
I know you're in there, so just come out here if you dare to!
COUGH! COUCH! COUGH!
You can puff on your cigar, Professor, but just wait till I get inside, then I'll give you something to puff about!



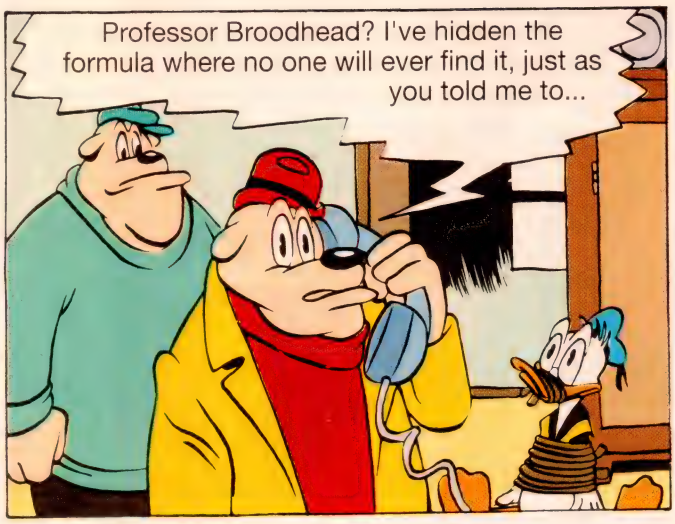
Aah... an open window... this is the way in for me! Heh! Heh!
AAUUCH!
BANG!
What's happening now?
OUT OF TOWN
GRRR...
He won't get away with it that easy!
Once I get upstairs nothing will stop me!
Heh! Heh! He has to get up early in the morning if he wants to cheat me!
OH... OH...
KA-WOMP!



That Professor sure isn't friendly!
He won't even give us a pound for an ice cream!
If you ask me something isn't right!
Listen, why don't we take a look inside?
Good idea! I'm getting quite curious!
Me, too!
Moreover, if we let Unca Donald...
...do it his way...
...we won't be home until tomorrow!
BUMP!
While Unca Donald is messing up everything in front of the house...
...we can take a look...
...at the back, undisturbed...
Look at that branch going to an open window! Let's get in that way!
It'll be just like crossing a bridge!
Aie! It's dark and dusty in here...
At least we're getting inside the house unseen!
Brr... it's all kinda spooky!
Ssh! I hear voices!
MUMBLE! MUMBLE!
There's a hole in the floor!
...WELL, PROFESSOR...

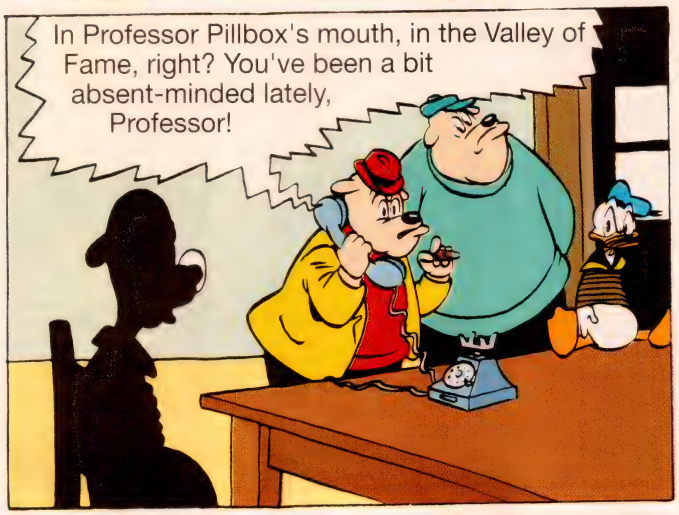
...you'd better start talking! We're getting impatient waiting around here!
...Oh, no!
We gave you a short rest because we were busy figuring out what to do with that tiresome duck out there...
...buutt...
...now we want to know your secret formula!
HEH! HEH!
The formula that tells us how to turn one litre of gas into two litres... two litres into four... four into eight... and so on... until we've made a fortune!
Haa... a **fortune!**
BUMP!
Here's his wallet! Why don't we just take that?
No, Joris! Big deals come before petty cash!
Hmm... that duck's a real dummy! Let's deal with him first!
BUMP! BUMP!
Yep! Let's do it!
This time I'm gonna turn that door into splinters!
HEY! ...YIKES?

Meanwhile...
?????!
What's he trying to do with the wallet?
He's kicking it under the cupboard next to the door!
Sshh! The crooks are coming back!
Well! That'll keep his beak shut!
I had to neutralize him or he'd have attracted someone's attention sooner or later!
Wau! They've caught Unca Donald!
We've got to do something! But what?
Hmmm... I think I know!
Now you sit here nice and quiet and keep an eye on the wallet! And behave yourself!
BUMP!
Hey... the wallet's disappeared!
Never mind that! We've got to make the Professor tell his secret!
But Schemer! It was right there...
Forget it! I'm talking about millions of pounds and all you keep yakking about is his silly wallet!
RING! RING!

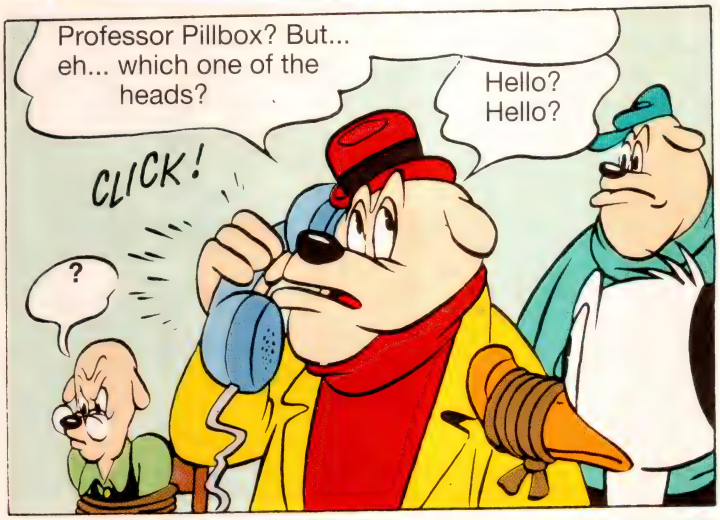


Professor Broodhead? I've hidden the formula where no one will ever find it, just as you told me to...

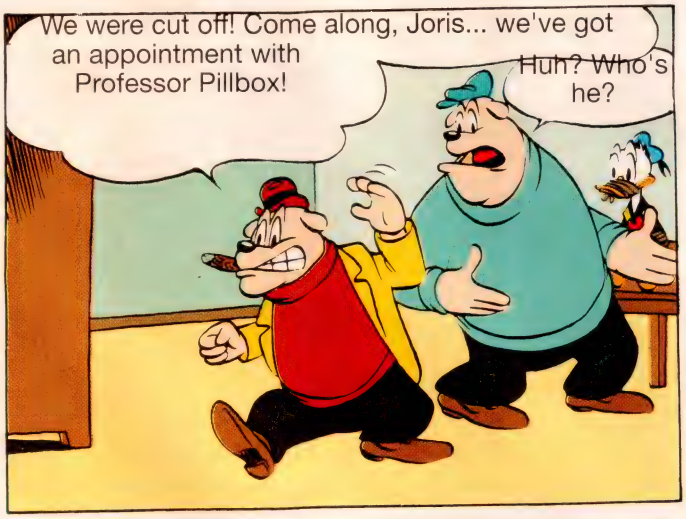
What? Eh.. oh... eh..., yes of course! I asked you to hide my formula! **Heh! Heh!** But... eh... **where did I tell you?**



In Professor Pillbox's mouth, in the Valley of Fame, right? You've been a bit absent-minded lately, Professor!

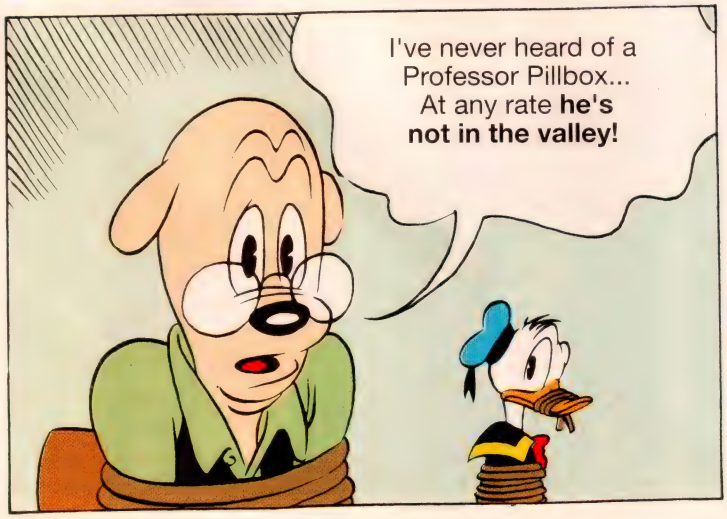


Professor Pillbox? But... eh... which one of the heads?
Hello? Hello?
CLICK!
?

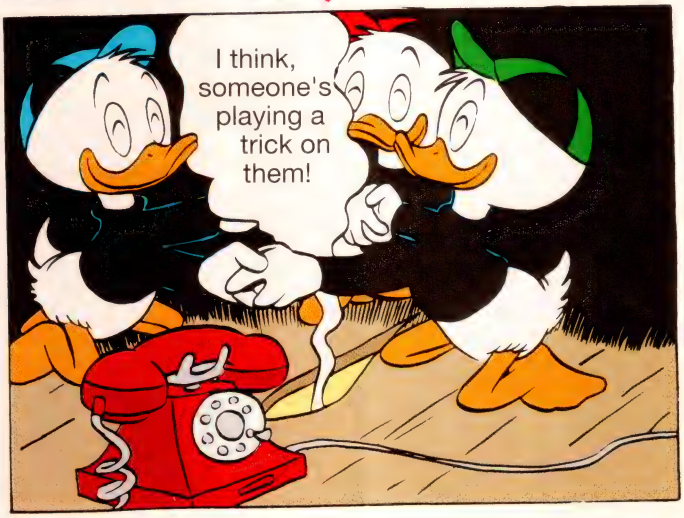


We were cut off! Come along, Joris... we've got an appointment with Professor Pillbox!
Huh? Who's he?

One of the stoneheads in the valley! I don't know exactly **which one!**



I've never heard of a Professor Pillbox... At any rate **he's not in the valley!**



I think, someone's playing a trick on them!

A little later...
...it only took a phone call to lure the crooks out of the house!
That's it! Now you're free again!
Whew! About time, too!
Now we've got to make another phone call to close the case...
That night in the Valley...
Bah! I didn't know there were that many heads to search! Luckily some of 'em have got their mouths closed!
Shut up, Joris!
We've got to find the formula if we wanna be rich!
This one's got a pretty big mouth! The formula could easily be hidden in there!
Maybe between two teeth?
What a pong! This guy oughta brush his teeth once in a while!
Hands up, both of you! You're under arrest!
We've just heard your confessions!
Police!
Hrmpf! That explains the stink! This case is really fishy!
GRRR...

When the crooks captured me and dragged me into their car, I slipped the formula into my wallet! Then I let the wallet fall on the ground without anybody noticing!
And you looked through the wallet without finding anything, Unca?
Hmmm... if the formula is so valuable we deserve a reward, eh, Professor?
Well... I've got to alter a thing or two! At the moment it still costs **five times** the litre price to make **one** litre of petrol into **two** litres!
(Sigh!)
Don't worry, Professor! Oil prices have gone up so fast that soon the price of oil will be five times today's price, making your formula profitable!
You're telling me!
But we can't wait for that! We've got to get back to Duckburg now! And we need money to have our tyre repaired!
Well, a short while ago I experimented with alternative energy sources — and I made a cheap vehicle which only used **free** energy! You can borrow it, if you wish!
Thanks Professor!
Here it is!
CLICK!
And so...
You know something, Unca Donald? It would be quicker driving our car home on a flat-tyre!
Professors... I hate them!

TRICKS 'N THINGS

ODD MAN OUT

Who is the odd man out among all these famous people?

COWPER, KEATS, SHELLEY, WELLINGTON, WORDSWORTH, DONNE

Answer: Wellington, a soldier-statesman. The others were all poets.

Calling all jokers

Laugh of the Week

MAKING A BIG SPLASH!

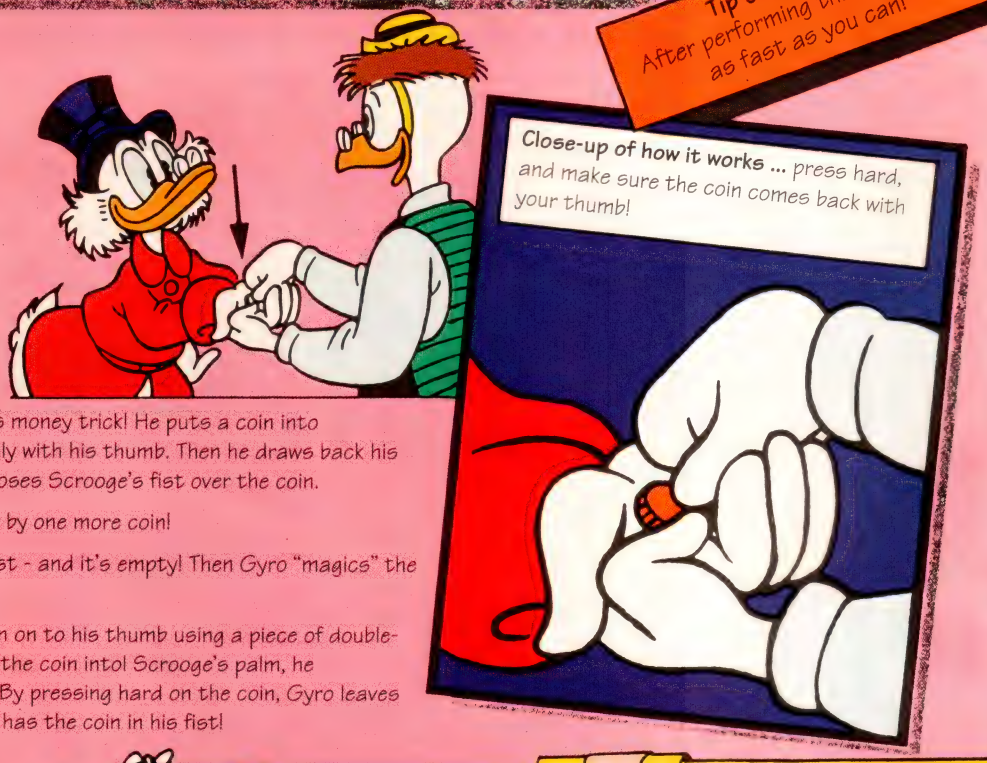
Fill a soup dish with water and give half a matchstick each to three or four friends. Then say to them: "Gather around the water and throw in your half of matchstick. Keep your eyes fastened on your own piece of matchstick - don't get it confused with anyone else's."

As they are all peering intently at the plate full of water, bring your hand down with a hefty smack on the surface of the water. It will shoot up into everyone's face!

Tip of the week: After performing this trick, run as fast as you can!

SIMPLE MAGIC

HOW TO FEEL RICH!



Gyro's got Uncle Scrooge fooled with this money trick! He puts a coin into Scrooge's hand and presses it there firmly with his thumb. Then he draws back his thumb, and, with his other hand, firmly closes Scrooge's fist over the coin.

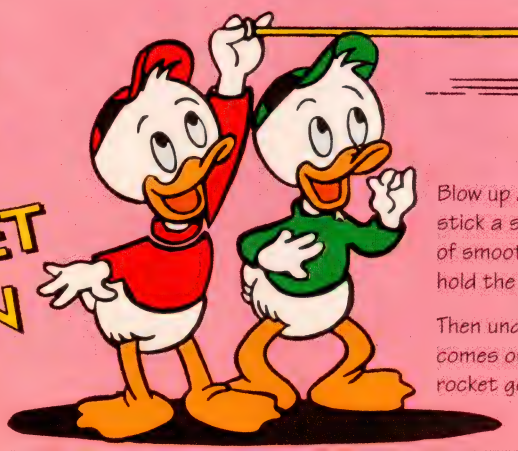
Of course, Scrooge now thinks he's richer by one more coin!

But he isn't! Gyro tells him to open his fist - and it's empty! Then Gyro "magics" the coin out of his pocket!

How he does it: Gyro first sticks the coin on to his thumb using a piece of double-sided sticky tape. Then, when he presses the coin into Scrooge's palm, he withdraws it as he withdraws his thumb. By pressing hard on the coin, Gyro leaves Scrooge with the distinct feeling that he has the coin in his fist!

Just watch it whizz!

THE ROCKET BALLOON



Blow up a sausage-shaped balloon, seal the opening, and stick a straw on it using sticky tape. Thread a long piece of smooth string through the straw and get a friend to hold the opposite end to yours.

Then undo the neck of the balloon so that the air comes out, and watch your jet-propelled rocket go!

GOT THE BLUES?

The answer to each of the clues belows contains the word **BLUE:**

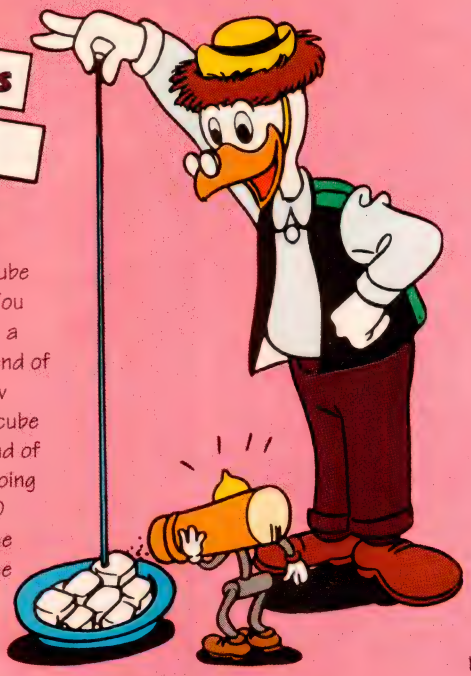
1. Famous waltz. 2. Picture painted by Gainsborough. 3. African river. 4. Sherlock Holmes' story. 5. Used to mean a scholarly woman. 6. Flag hoisted by a ship about to leave port.

Answer: 1. Blue Peter. 6. Blue stocking. 5. Blue Nile. 4. Blue Carbuncle. 5. Blue Danube. 2. Blue Boy. 3.

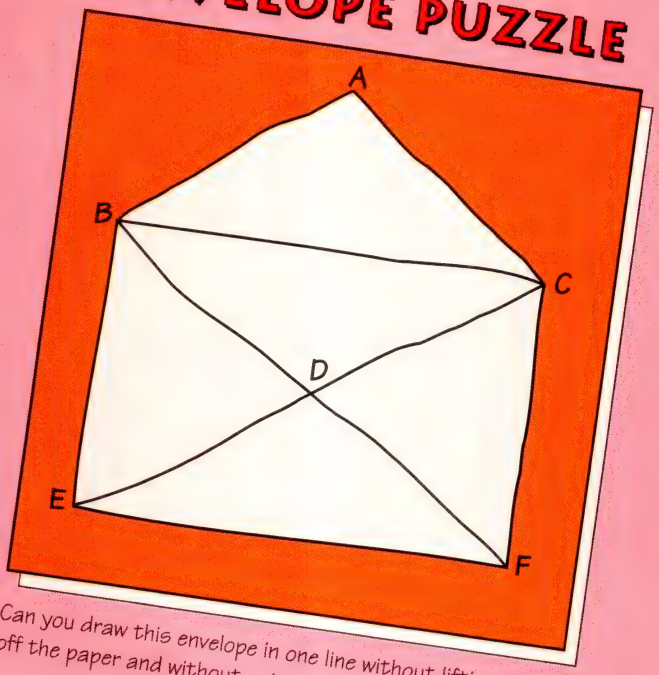
INSIDE GYRO'S WORKSHOP

New angle for anglers!

Can you pick up an ice cube with a piece of string? You can! Put the ice cube on a plate and moisten the end of your piece of string. Now sprinkle salt on the ice cube and touch it with the end of the string, as Gyro is doing here. Hang about for 30 seconds, then pull on the string ... and up will come the ice cube!



ENVELOPE PUZZLE



Can you draw this envelope in one line without lifting your pencil off the paper and without going over the same line twice?

Answer: Start at E, draw to B, A, C, F, D, E, F.

ANIMAL HOMES

Link each animal in the first line to its home in the second:

Fox, rabbit, pig, badger, eagle.

Warren, sty, eyrie, sett, den.

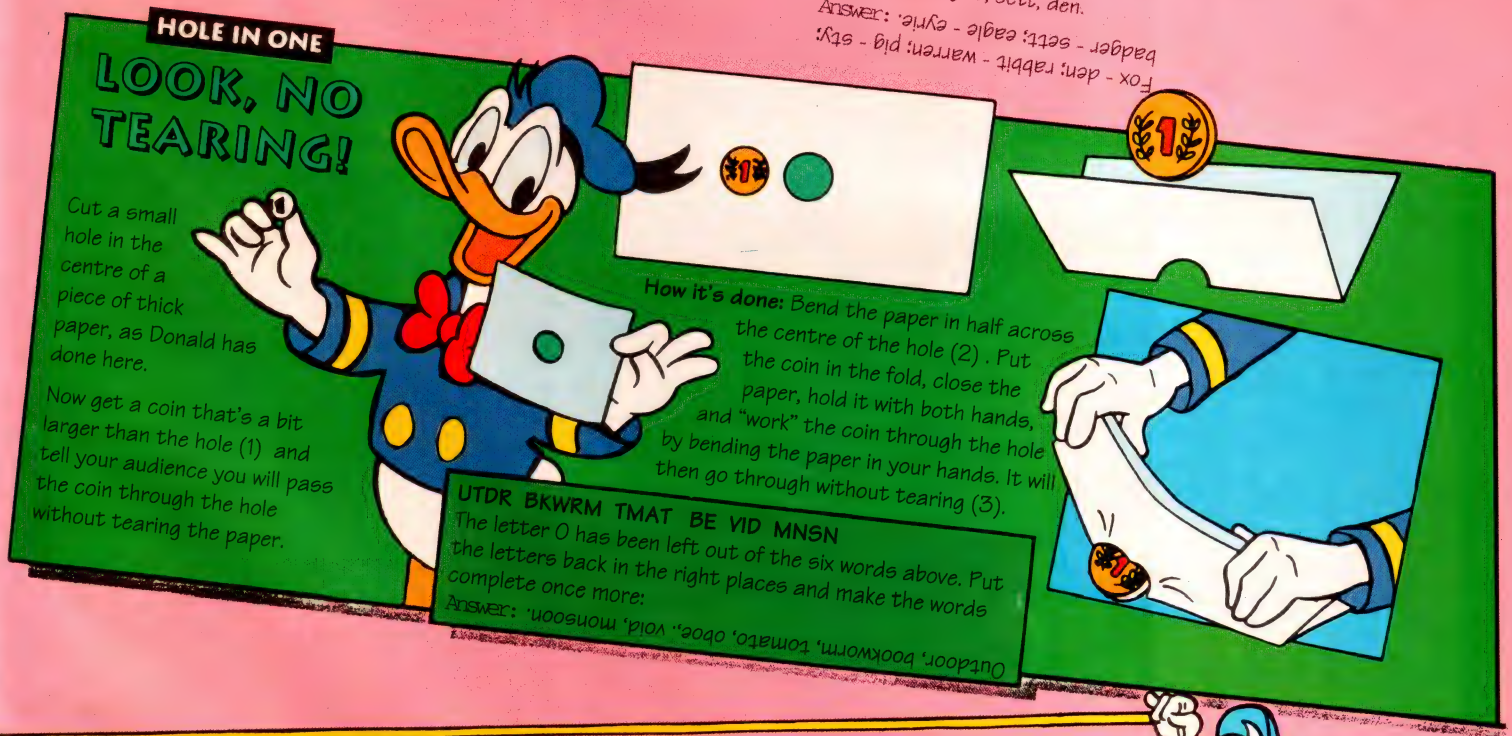
Answer: Fox - den; rabbit - warren; pig - sty; badger - sett; eagle - eyrie.

HOLE IN ONE

LOOK, NO TEARING!

Cut a small hole in the centre of a piece of thick paper, as Donald has done here.

Now get a coin that's a bit larger than the hole (1) and tell your audience you will pass the coin through the hole without tearing the paper.



How it's done: Bend the paper in half across the centre of the hole (2). Put the coin in the fold, close the paper, hold it with both hands, and "work" the coin through the hole by bending the paper in your hands. It will then go through without tearing (3).

UTDR BKWRM TMAT BE VID MNSN

The letter O has been left out of the six words above. Put the letters back in the right places and make the words complete once more:

Answer: Outdoor, bookworm, tomato, oboe, void, monsoon.

LITTLE HIAWATHA

A Fishy Business

Early one morning...
You're up early, Sunflower! Couldn't you sleep?
I wanted to finish this blanket for Father's birthday! Have you made him anything, Hiawatha?
D93400

No! I'm no good at making things! But he likes nothing better for his dinner than a big, fat river trout! So I'm gonna catch one!
Good luck!

What's he doing? Taking a swim?
No! He's doing the same as me! Fishing! But he's having much more success!
Shortly...
Surely he can't eat all those fish by himself!
Maybe, if I'm patient, he'll leave one behind for me!
Eventually...
He's settling down for a sleep! Now's my chance!
He seems well away!
ZZZZZZ!
That's a beauty! It'll do nicely!

Mmm! Father will be pleased with this!
ZZZZZZZZ!
Huh?
GRRRR!
GRRRHHHH!
Aaahhh!
RHHHHRR!
Oh!
GRRRRHHH!
(G-GULP!)
Here! Take this!
MMMFF!
If I can just make it to that tree!
Oh, gosh! It-it didn't take him long to get over his surprise!
GRRRRR!

Ohhh! M-maybe this wasn't the safest place after all!
GRRHHH!
Aaaahhh!
SPLAASH!
Oh, no! Now he **is** taking a swim! After **me!**
SPLAASH!
But luckily...
Th-thank goodness! It's a strong current! It's carrying me away like a leaf!
Later...
Oh! **Father**!
We've been looking for you, son! Where have you been?
Hiawatha explained...
...so, as I couldn't catch you a fish, Father, this basket is all I can give you! Happy Birthday!
Thank you, son! But there **is** a fish in it!
Ha! Ha! Ha! You must have caught it accidentally, while you were in the river!
It will make a wonderful supper! But let me give you a piece of advice, son!
Never have a fishing competition with a wild bear! They just don't like losing!

POETS' CORNER

Mickey is so very nice,
He's the best of all the mice,
I'd like him to be my friend,
And I'd love him to the end.
Justin Harden, Llanfwrog.

I love Mickey,
I love his friends,
I enjoy his puzzles,
But some drive me round the bend!
